## Active Green & Ross

Everything Active Green & Ross does, is done for the customer.

"We really care about our customers," said owner Charlie Chiamida. "We appreciate every customer who comes in and treat every vehicle like our own."

Chiamida purchased the Active Green & Ross franchise three years ago to provide residents a repair shop that everyone could feel comfortable going to.

"We never do any unnecessary work and

we never replace parts that don't need replacing."

Staff at Active Green & Ross also takes the time to explain what is wrong with the customer's vehicle.

Active Green & Ross offers a pickup and drop-off service and has most parts instock. They are a Ontario Drive Clean Centre.
