Markham Furniture

Behind the finely crafted wood, hidden beneath the reams of quality fabric at Markham Furniture, there is something less visible to the untrained eye.

It is precision and attention to detail — ingredients that are born out of owner Bill Rizk's 25-year labour of love.

"I've been in this business all my life," Rizk said. "I put everything I have into my work." It is that kind of dedication that has earned Rizk the reputation for producing

some of the finest handmade furniture available.

But they are not only a furniture store. They also offer a reupholstery service.

"We can restore any old sofa or antique chair at a very reasonable price."

Whether you are buying a new chesterfield or reupholstering an old one, Markham Furniture is the place to go.

For details call 947-9575 or visit the store at 1001 Denison St. Unit 12.

Dynamic Golf

Dynamic Golf can help all golfers.

"We cater to the needs of beginners right up to experts," said Ross Cowan, franchise owner of Dynamic Golf.

Open year round, Dynamic Golf's goal is to provide complete customer service.

Dynamic Golf carries a full range of golf equipment and accessories such as balls, bags, golf clothing, self-help videos, prize table gifts and more. Knowledgeable staff are available to answer questions regarding

products and other golf-related questions.

Before purchasing clubs, staff encourage golfers to try them at the indoor practice range. By watching the customer, staff can tell if the club is a good fit. Dynamic Golf also offers lessons and practice membership for golfers looking to improve their games as well as a repair shop that specializes in regripping and reshafting.

Dynamic Golf is located at 5328 Hwy. 7 E. of McCowan Rd. For details call 471-4653.

Sandra Amodeo Dance Studio

After 24 successful years in one location, Sandra Amodeo Dance Studio has recently moved to a new and more spacious location in Markham.

Instruction is by qualified adult teachers, all of whom belong to various dance organizations. Many of the students have launched careers in modeling and dancing and some have opened their own dance studios. Just recently, their competitive team was invited to provide the entertain-

ment for the opening of a Blue Jay's game. Although students have achieved numerous successes in competitions and exams, the studio has a great recreational program as well.

"Our main focus is to maintain the high standards associated with this studio," said Sandra. "We have something for everyone from ages three and up. Come and join us for an exciting new season in September."

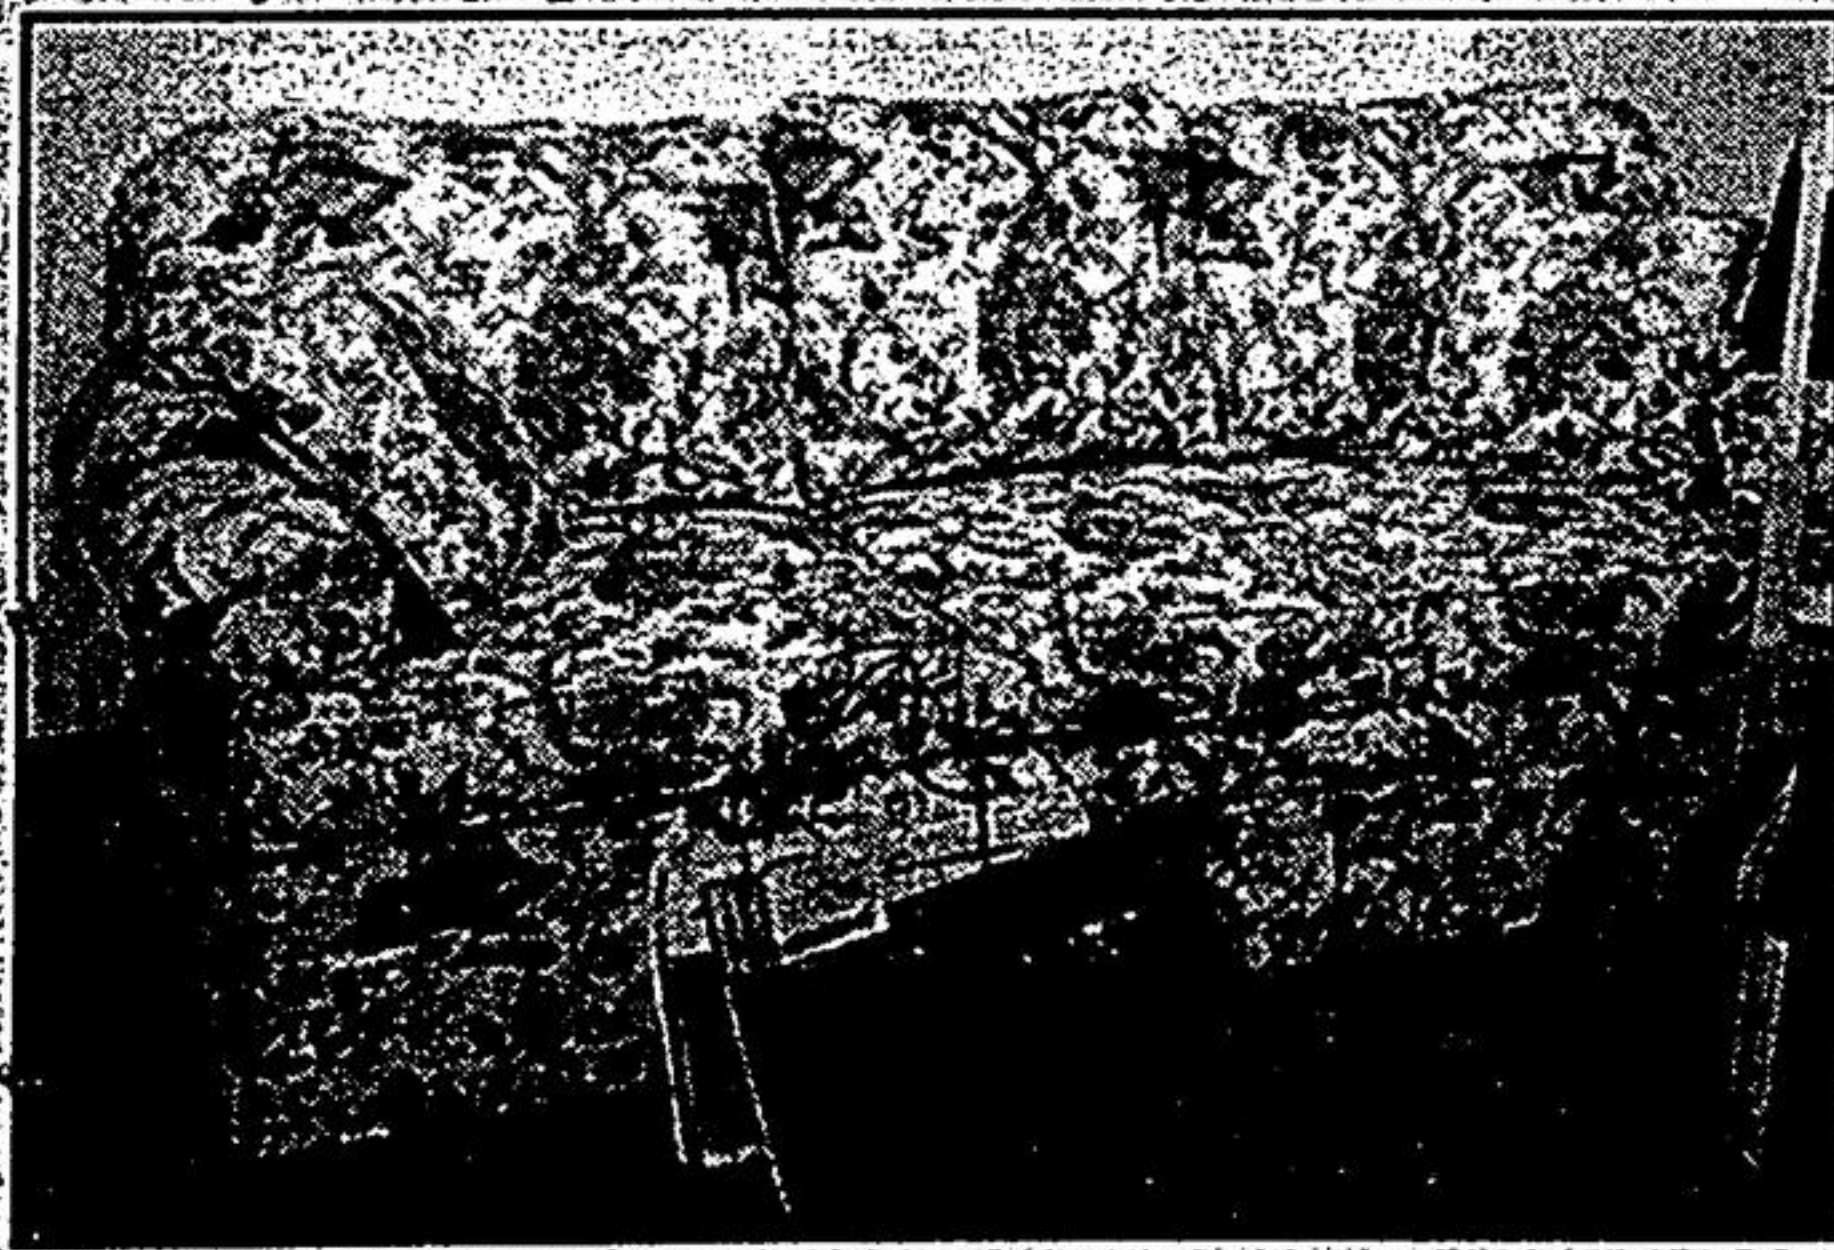

For details call 471-7449.
