

Sears Furniture and Appliances Store

Look no further than the Sears Furniture and Appliances Store for all your home furnishing needs.

The 75,000 square foot showroom offers a large selection of brand name major appliances (including vacuum cleaners) and home furnishings ranging in styles from traditional to contemporary and country.

"The showroom is just scratching the surface of what we are capable of offering," said David Braithwaite,

assistant store manager. Decor consultants, who have been trained in decorating and colour coordination, can help people customize their purchases.

"Inspirations, our Whole Home upholstery program, offers over 100,000 options alone." The store also carries greenery, pictures, lamps and more.

Sears Furniture and Appliances Store is located in Shoppes on Steeles Plaza. For details call 881-6600.
