Parkview Golf Club

Everything you need to enjoy a day of golf can be found at Parkview Golf Club.

The course, which was built in 1960, is well maintained and conveniently located on Steeles Avenue East.

Operations manager Bill Radcliffe said people love playing at the beautiful par 71, 36-hole golf course because of the numerous mature trees and shrubbery.

Golfers can book a tee time at the golf course using Parkview's 24-hour reserva-

tion system. But golf isn't the only thing the club offers.

The club also has a proshop as well as a restaurant, bar and banquet facilities.

People interested in learning more about the game of golf can either take private or group lessons from one of two golf professionals at Parkview.

For details call at 416-293-2833 or visit the club at 6400 Steeles Ave. E.

Wee Watch Private Home Daycare

BY JENNA WALSH

All parents seeking childcare face the dilemma of deciding what type of care is best for their child.

Wee Watch Private Home Daycare is licensed by the Ministry of Community and Social Services and provides safe, quality childcare for children six weeks to 12 years.

Wee Watch operates out of a provider's home, with a regulated system that is carefully set up to meet the needs of you and your child.

There is a low ratio of children to provider, so the program can be modified to suit each child.

All potential providers are screened and must meet a variety of requirements. Home visitors do monthly unscheduled visits to the provider's home. Wee Watch offers full and part-time care, and in the event of an illness or vacation, Wee Watch will arrange for an alternative back-up.

For details call 479-9671.
