Early Childhood Educator

This temporary, full-time opportunity calls for an excellent communicator with superior interpersonal and organization abilities to join our treatment team. In this role, you will be responsible for planning, evaluating and implementing programs that are responsive to the developmental, communication and culturally diverse needs of children, birth to age six. Among your challenges are performing specialized treatment, and facilitating the transition from child care to the school system, ensuring a healthy and safe environment. Completion of a Early Childhood Educator program, and the ability to work both independently and as part of a team are essential; experience working with children with special needs is preferred.
