with the
Markham
Festival of Lights

Mark your calendar for Main Street Markham's 15th annual Festival of Lights.

The Markham Village Business Improvement Area invites you to ring in the holidays with friends and neighbors Friday, Nov. 26 from 6 p.m. to 10 p.m.

Festival goers can help Santa and his friends light the giant Christmas tree to begin the evening of fun, music and magic.

New this year -- and sure to be a crowd favorite -- is the laser light show which occurs every hour on the hour.

Treasures of the Past is the theme this year and it is evident throughout the village including the Main Street merchants.

Many of the merchants participate in the annual window display contest where they try to capture the theme.

SENSES COME ALIVE DURING THE FESTIVAL

Visitors will delight in the aroma of freshly roasted chestnuts and hot apple cider as they stroll through the historic streets of the village.

Young and old can enjoy the strolling barbershopbers, Victorian families, pony rides and a large petting zoo.

The Main Stage features great bands including Celtic and rock.
