ALL ABOARD

FOR THE MILLENNIUM!

Work begins next month on the Markham Train Station Renovation! Climb aboard and make this project part of your community celebration in the Millennium year!

To mark this special occasion, we have commissioned noted local artist Ray Simpson to create a delightful oil painting depicting the station in its heyday in 1910. From the original work, we have produced a very limited run of two hundred fine art prints. Each one of these is signed, numbered and certified by the artist.

The renewed station will contribute to a more sustainable use of the natural and built environment by conserving a significant heritage asset, by providing a community meeting room, and by encouraging public transit.

Of the \$200 purchase price, \$180 is a charitable donation to the Train Station Renovation. Help Markham restore this wonderful station and put a piece of history on your wall.

Prints are available for purchase at:

- The Gallery Studio - 136 Main St. N., Markham
- Z-Art Gallery - 9275 Hwy. 48 @ 16th Ave. or

Call the Markham Village Conservancy at (905) 642-6789 to reserve your print today.
