

When's the last time your Parents felt this Good?

Do you remember when your parents used to feel good about their lives? Their special joy of life doesn't have to be just a memory, because there is a place where meeting new friends, enjoying an improved healthy lifestyle and feeling a genuine sense of belonging is a way of life.

Introducing Four New Retirement Communities: Full Service Hotel Inspired Rental Suites.

ISHAR Wellness & Vitality Communities are dedicated to enriching the independent lifestyle of seniors, with first class services and a staff that genuinely cares about the well-being of your parents.

- 24 hour concierge services
- Housekeeping & weekly laundry services
- In-suite nursing care when required
- Meals served in an elegant dining room
- Wellness & Vitality programs to encourage socializing & an improved healthy lifestyle
