Browsing through the company's Markham showroom is encouraged and so is shopping around to compare products. Whatever your tiling needs, Markham Ceramic Tile is happy to help you to select the right tiles to complement your decor. They will even explain various tiling procedures and provide helpful maintenance techniques.

"We carry a unique range of tiles in all colours, styles and textures," says Joe. "Whether you're looking for something formal to complement an existing decor, or you're starting from scratch, we have tiles for any interior at affordable prices."

The company always completes its work on time and guarantees its workmanship. References of work completed in surrounding areas are available. Estimates and consultations are free.

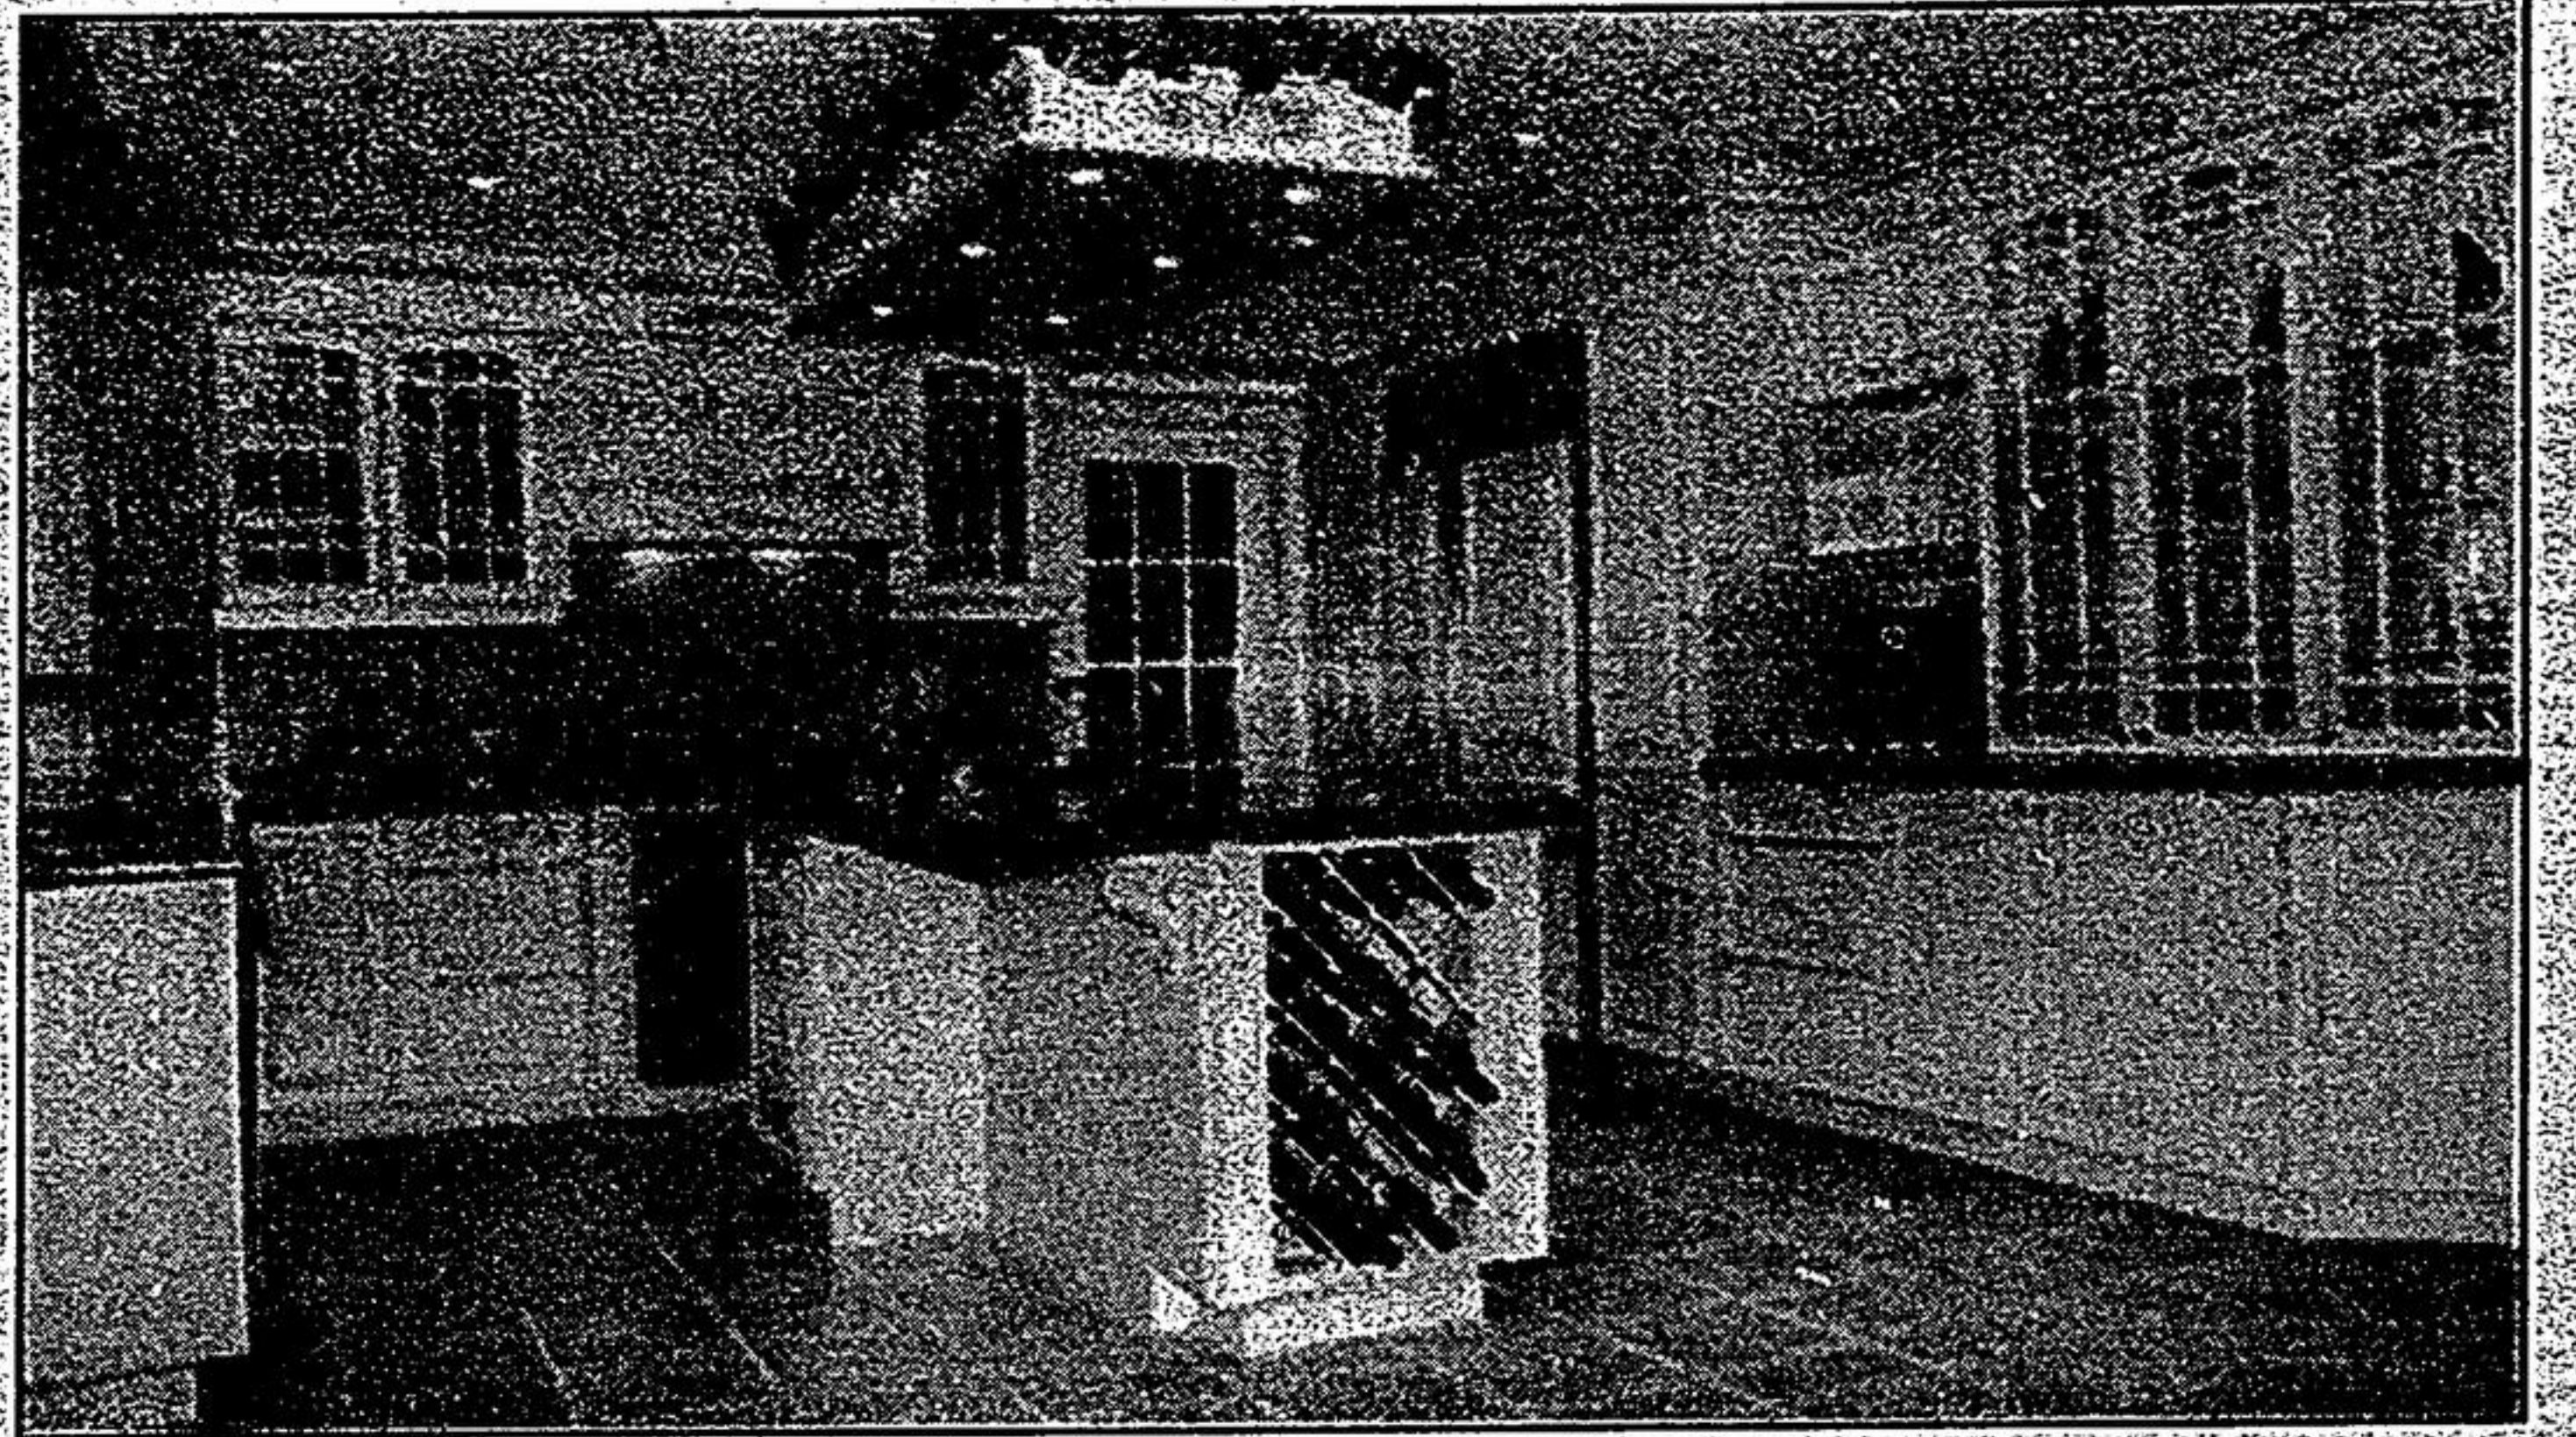

"We consult with all of our customers to make sure that they are comfortable with their decisions," says Sam. "We provide customers with all the information that they require, and the installation expertise if necessary."

Last year, Markham Ceramic Tile earned the Markham Economist & Sun's 1999 Readers' Choice Award for the Best Flooring Company.
