 Volunteer support is essential for all our programs and services. There are many ways that you can help us help: organizing self-help activities, staffing mall and public displays, distributing literature, serving on Committees, etc.

Follow the road to a new life...

HEART AND STROKE FOUNDATION OF ONTARIO

...and volunteer with the Heart and Stroke Foundation of Ontario! One out of two people in your community will suffer from heart disease or stroke. We're reducing those odds. Whether you volunteer for fundraising events, or to teach, communicate or promote - join the people with heart. You'll learn more - and LIVE more - than you ever did before!
