FREE 2,000 lb. Warn Winch Kit

(valued at \$385⁰⁰⁺)

With every Arctic Cat ATV purchased

There's virtually no end to the number of jobs this winch can do. It holds 50 ft. of 3/16 in. cable. It can free-spool for faster hookups. To prevent cable binding, it has a roller fairlead. It's activated by a convenient, front rack mounted switch.
