

EMERGENCY RESPONSE & RESCUE

Thursday, May 4th to Sunday, May 7th
Working together in community service

Come meet the emergency teams of York Region. We're working together in community service during the second annual Emergency Response & Rescue Expo being held at the Markville Shopping Centre. Naturally it will feature lots of sights & activities.

In Centre Court

- Take an up-close look at some real York Regional Police Vehicles
- Watch for the rappellers from Canadian Forces & York Regional Police to enter Markville Shopping Centre from the skylights
- Learn how the Officers and dogs work together to solve crimes in the York Regional Police Canine Unit

Throughout the Mall

- The Shopping Centre aisles will be filled with family focused interactive safety displays and exhibits
- Have your hair stand on end at the Markham Hydro Booth
- Watch for barbecued spiders at the Markham Fire & Emergency Services Display
- Have your face painted camouflage style by the Canadian Forces
- Visit with York Regional Emergency Medical Services (EMS) paramedics

Just Outside

- Experience lights, sirens and action in a mock 911 scenario. Watch as firefighters, paramedics, Markham Hydro and police respond to a car-to-car collision happening this Thursday, Friday and Saturday at noon in the Shopping Centre's south parking lot.
- Take a look at Markville Shopping Centre's new fire truck in a vehicle of the Markham Hydro truck press like a Markham Fire & Emergency Services firefighter. Tap for water from a fire hose.
- Watch motorcyclists maneuver by the 15 and 16 inch wheels.
- Experience a chance to sumo wrestle with the help of a professional police officer.
- Visit with Markham Fire & Emergency Services.
