Bathroom and kitchen experts at your service

Luxurbath Enterprises Inc. has been remodelling bathrooms and kitchens for well over 30 years. A family owned and operated business, Luxurbath's excellent service, competitive pricing and qualified staff, gives them the edge over the competition.

Luxurbath deals directly with most manufacturers, which enables them to custom-fit products and fixtures perfectly in your bathroom or kitchen.

"This is beneficial because no two bathrooms or kitchens are alike" said owner Mike.

When clients invite Luxurbath Ent. into their homes they're getting the benefits of years of experience, product knowledge and design, with no hidden costs or surprises.

Luxurbath understands that clients may become overwhelmed and somewhat confused with the vast amount of products on the market, so as part of their job they will completely put your mind at ease by explaining any uncertainties one may have.

The company not only provides information, design options, and quality workmanship, they also have an extensive shop-at-home service which enables clients to select products in the comfort of their own

home. "Our in-home consultants work very closely with our installation contractors (no sub-contractors) to make sure the clients get exactly what they deserve (complete satisfaction)" Mike says.

Brand names such as American Standard, Moen, Kohler, Aqua Brass, Grohe, Jacuzzi, etc... are used on all projects so you know you are getting quality products from a quality company.

Luxurbath is so confident in their products and workmanship that they give a full 6-year limited warranty on all renovations which exceeds the industry standard of 5 years.

Also, ask about our complete line of flooring products such as; ceramic tile, marble, granite, hardwood, laminate flooring etc. which will gladly be installed by their staff of professional flooring experts.

So, from large renovations to small installations choose Luxurbath Ent. and get the professionals you deserve.

We also offer many references upon request.

Luxurbath Enterprises leads the way in bathroom and kitchen remodelling

Markham Furniture builds and sells quality sofas at factory prices

Since its inception, Markham Furniture has been a tremendous business success in Markham and surrounding area. It has introduced an unbeatable level of quality and craftsmanship in upholstered furniture.

OVER 25 YEARS' EXPERIENCE

After many years of managing the Barrymore Furniture plant, Bill Rizk left to start Markham Furniture. He brings with him a wealth of knowledge in building superior sofas. He also employs experienced craftsmen who can deliver superb quality.

FACTORY PRICES

In addition to its outstanding quality and workmanship, Markham Furniture offers prices well below retail prices. They use no vinyl matches and no split leather, only top grain Italian leather.

NEW FURNITURE

Our commitment to quality is an ongoing process. All new sofas are built with solid hardwood frames, constructed with eight-way hand-tied coil springs and padded with high density foam.

REUPHOLSTERY SERVICE
 In addition to brand new sofas, Markham Furniture reupholsters customer's existing furniture. "Quality sofas at upscale stores are quite expensive," says Mr. Rizk. "We can restore your existing furniture to its original shape and beauty for less than the cost of buying new."

Recovering an old piece of furniture made by companies such as Cooper, Sterling, Barrymore, Thomsville and Ethan Allen save you a lot of money, makes a lot of sense and helps save the environment by recycling instead of replacing.

LEATHER SOFAS

Markham Furniture builds and sells quality leather sofas at well below retail prices. They use no vinyl matches and no split leather, only top grain Italian leather.

Markham furniture provides an unbeatable level of quality & craftsmanship
