At Salon Cachet...

owner Marisa Cannataro has managed and directed her salon to becoming one of the best. Upon visiting Salon Cachet you'll find the atmosphere is pleasant and the team energetic and dynamic.

Marisa and her staff have had extensive education in design, cutting and creative colour with Schwarzkopf. Always in the mainstream, they're actively involved in the beauty and fashion industry. Marisa and her team recently attended the "IBS International Beauty Convention" in Manhattan, New York where they studied and returned with the latest in hair trends.

Salon Cachet Ltd. offers extensive hair care and skin care lines, including 'Wax n' Relax,' an effective hair inhibitor cream which reduces - and sometimes eliminates altogether - the rate of regrowth.

Salon Cachet's team includes Angela, who specializes in aesthetic services, toning and cellulite treatments and bio-sculpture gel nails; Mary Ann, an electrologist who offers permanent hair removal; Diane, a junior hair stylist who is offering 20% off regular priced haircuts; Theo is an artistic men's stylist with 50 years' experience; Mary is an experienced creative stylist who also offers threading (hair removal); Helen is the newest member of the team who has worked in Markham for four years.

Treat yourself to a great experience - you won't forget it!
