PLEASURE VALLEY SUMMER RIDING CAMP

JULY-AUGUST

A wonderful opportunity to learn gentle horsemanship and the basics of riding! Our program focus is on teaching how to build a good relationship with the horse through mutual respect, trust, and good communication. Horse lovers will truly enjoy their time spent here with our equine friends.
The camp is under the direction of Gary Convery, often referred to as Ontario's "Horse Whisperer". Gary has been the subject of a number of TV shows, magazine and newspaper articles featuring gentle horse handling and effective communication with horses. He is a popular clinician and trainer and was a guest clinician in the Canadian Pavillion at Equitana USA.
