## COMING SOON TO AURORA!

### CONTRACT OPPORTUNITIES Full and Part-Time

To ensure the success of our new state-of-the-art facility in Aurora, we have a number of opportunities available for individuals who recognize the rewards of reliable shift work. In one of these full or part-time roles your duties may include light assembly, visual inspection, or repair in a seven day, 24 hour manufacturing environment. No manufacturing experience is required, but you must have a high school diploma and enjoy working in a team environment. Excellent communication skills and a commitment to continuous learning are key to your success with Celestica.

If you are flexible to work on one of a variety of shift schedules, then one of these roles could be perfect for you.
