THE RIGHT CHOICE SINCE 1964

2 CARDICO DR., Stouffville (905) 479-1000 (Woodbine Ave., 1 km. north of Stouffville Side Rd.)

Many Canadians are purchasing a "home away from home" in the form of a Recreational Vehicle (RV), which provides many economic and lifestyle advantages for the traveler. Families and retired seniors alike want to alleviate the high costs of travel and yet retain something tangible after the trip; you still have your RV to use again, to rent, or to resell.

Purchasing from a reputable RV dealer such as MCKENZIE RECREATIONAL VEHICLES makes more sense than buying privately. Each style of RV has its own advantages, and the staff at MCKENZIE RV have the experience to identify the needs of buyers, making sure that the new or previously owned motorhome, park model, fifth wheel, travel trailer, or hardtop tent trailer meets your needs.

Another reason why MCKENZIE RECREATIONAL VEHICLES is a logical choice is that they will usually accept your old trailer as a trade, if it is in good condition and not too old. The trade-in value is deducted from the new purchase, so you pay a reduced amount in PST and GST.

Choose from respected brands such as Golden Falcon, Mallard, Terry by Fleetwood, Breckenridge and Rockwood. Many used models in a wide price range are also available from their huge 5-acre stock.

MCKENZIE RECREATIONAL VEHICLES has served the region since 1964 and is directed by the MCKENZIE Family.

Customer support includes service and repairs to most recreational vehicles, as well as collision repairs, insurance work, and accessory installations. MCKENZIE RECREATIONAL VEHICLES can also supply your parts, RV appliances, trailer hitches, and other accessories.
