Join the fastest growing name in educational technology. In preparation for the 2000/01 school year, Advantage Learning Systems of Canada is seeking detail-oriented individuals to fill the following positions:

Educational Sales Representatives: Enthusiastic, team player, who can successfully sell our educational software to the K-12 market. Selling is done via telephone through leads, no cold calling! Excellent clerical and computer skills required. Organizational skills and attention to details necessary.

Customer Service Specialist: Motivated, technically aware, self-starter, who can successfully support our customers. Technical support is done via telephone. Computer network experience not a requirement. Excellent clerical and computer skills required. Organizational skills and attention to details necessary.

Marketing Coordinator: Creative, independent, marketer who can share and promote our vision for the future of education. Two years of marketing experience and exceptional proofreading, grammar, and spelling skills necessary. Microsoft Word and Excel experience required. Quark, Illustrator, or PageMaker experience, a plus.

Literature Fulfillment Representative: Self-motivated individual, with some computer experience, needed for half days. Responsibilities include customer literature fulfillment, light shipping/receiving and computer-based production. Will soon lead to full-time, permanent position.

Advantage Learning Systems of Canada offers an attractive salary, a comprehensive health and insurance plan, and a dynamic work environment where people are given respect, responsibility, and a lot of independence. Truly the opportunity of a lifetime! Send resume in confidence to:
