

Fundraising blues jam

The Waltzing Weasel in Aurora is the location for a benefit blues jam tomorrow at 8 p.m. with special guest Tony "Wild T" Springer.

Proceeds from the event will go to support 2-1/2-year old T.J. and his mom in their fight against a disease that has already taken one of T.J.'s eyes. "His mom is a hard-working single mother

who is having a difficult time making ends meet with the travel, parking and non-OHIP expenses," said Jim Krueger, a jam fest organizer.

Moraine video available

The Living City, a 1993 CBC television documentary about the Oak Ridges Moraine, is available at the Aurora library. Call 727-9493.
