There is nothing like the look and the feel of a renovated kitchen or bathroom. Mike Vurro should know. Since 1970, Mike's family-run business, Luxurbath Enterprises Inc., has earned a formidable reputation in renovating kitchens and bathrooms in Markham and surrounding areas.

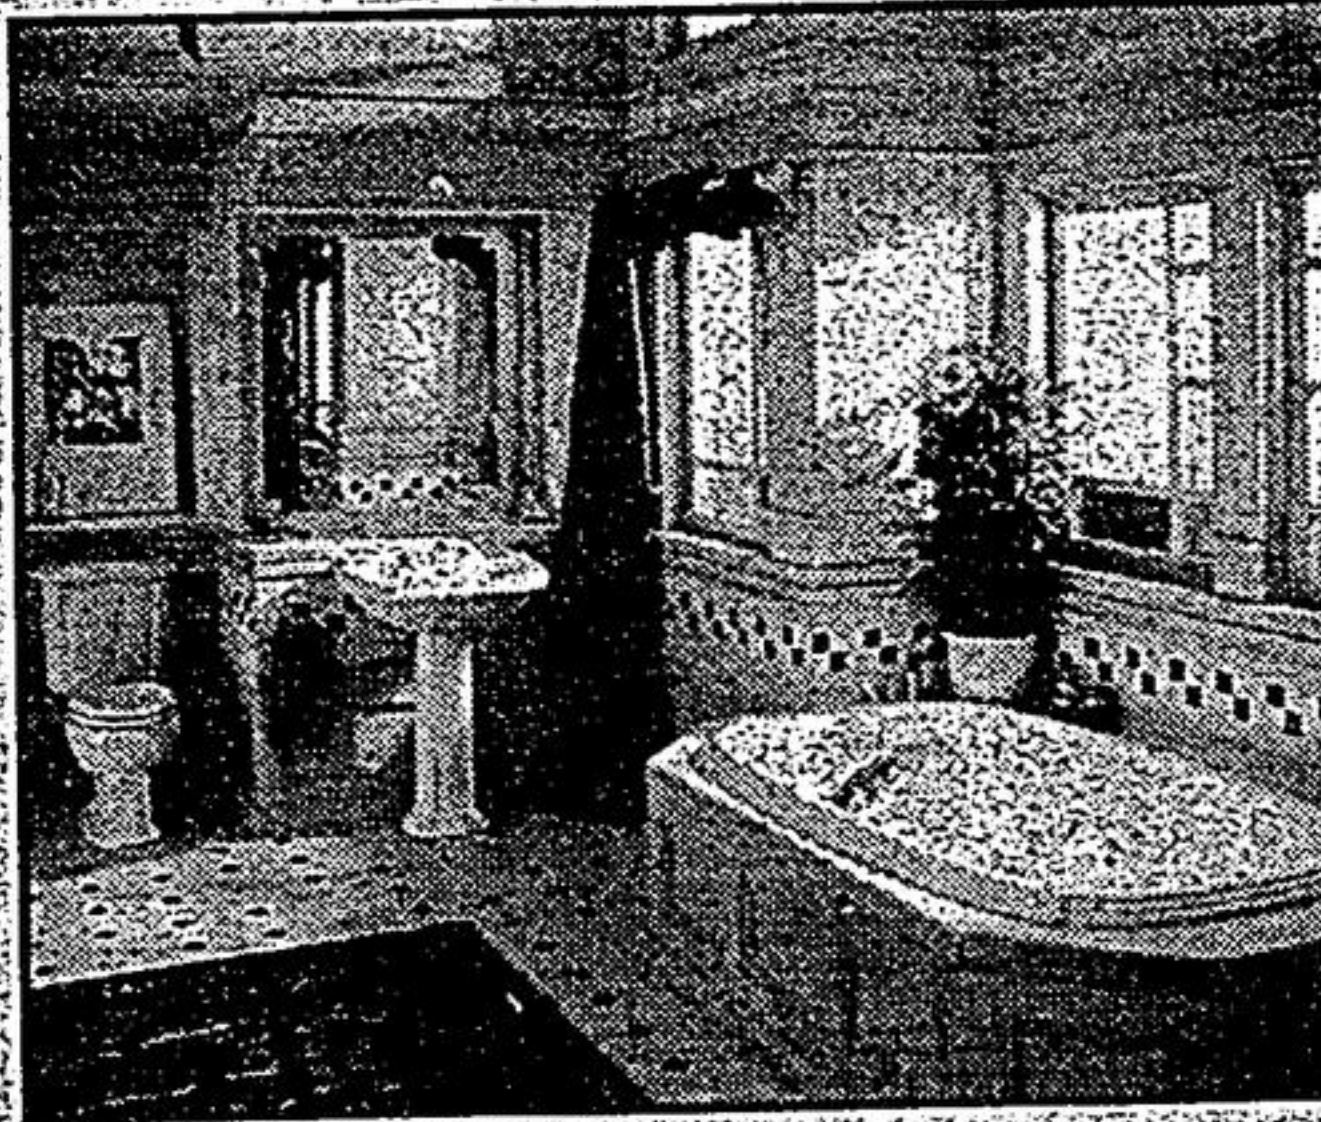

From the initial consultation to the final completion, Luxurbath will accommodate any type of renovation project, big or small. They also provide complete flooring needs, including laminate, hardwood, ceramic tiles, marble, etc.

Whether it's deciding to install a new whirlpool, sink, special vanities or custom shelving units, Luxurbath will make sure that your renovation is completed on time and on budget.

"The initial consultation is the first thing we provide," says Mike. "It's important to establish what a client's precise needs are before proceeding to the next level. In many cases, we can point out the benefits of various renovation options so that customers can make informed buying decisions."

The next stage is to choose building materials that fit a client's style and budget. "We can recommend high quality products that will last," says Mike. "Our company deals directly with most manufacturers and can offer clients custom-fit products at competitive prices."

Luxurbath also provides a convenient shop-at-home service that allows clients to visualize colour selections in the lighting and comfort of their own home. All of their work comes with a six year warranty on parts and

labour (exceeding the industry standard of five years).

This commitment to quality workmanship has meant a lot of repeat and referral business for Luxurbath. "You did an incredible job renovating our bathroom on time, and on budget," writes Mrs. Marino, a Markham customer who hired Luxurbath to update her bathroom with new fixtures. "Every time I walk into my bathroom, seeing my new fixtures gives me a great sense of pride and joy."

For the month of July, Luxurbath is offering a complete bathroom remodelling. For a

low price of \$5,850 you'll receive the following:

- Tear out old fixtures
- white enamel steel tub
- Moen pressure balance faucet
- Durock board - w/r. drywall
- 8" x 10" ceramic tile in alcove (80 sq. ft.)
- 12" x 12" ceramic floor tile and tile base (60 sq. ft.)
- white toilet (American Standard)
- 30" vanity (gloss white)
- 31" cultured marble top
- Moen basin taps
- 30" mirror strip light
- bevelled mirror (30" x 24")
- new plumbing where necessary
- complete garbage removal
- 6 year limited warranty
