

# Steaming right along

The Richmond Hill Live Steamers Club runs real miniature locomotives at its grounds at Warden Avenue and Bloomington Road in Whitchurch-Stouffville. The club hosted a lively open house earlier this month. At right, Harry Hawkins shows one of his trains to Joshua Isen of Thornhill. Below, Tom Stewart rolls down the track in his Pacific style locomotive. At bottom right, Tom Stewart and Rick Intini work on one of the locomotives.
