

This weekend you'll get a free colour printer when you buy a Gateway™ Performance PC at any area store (all you pay is shipping and handling).

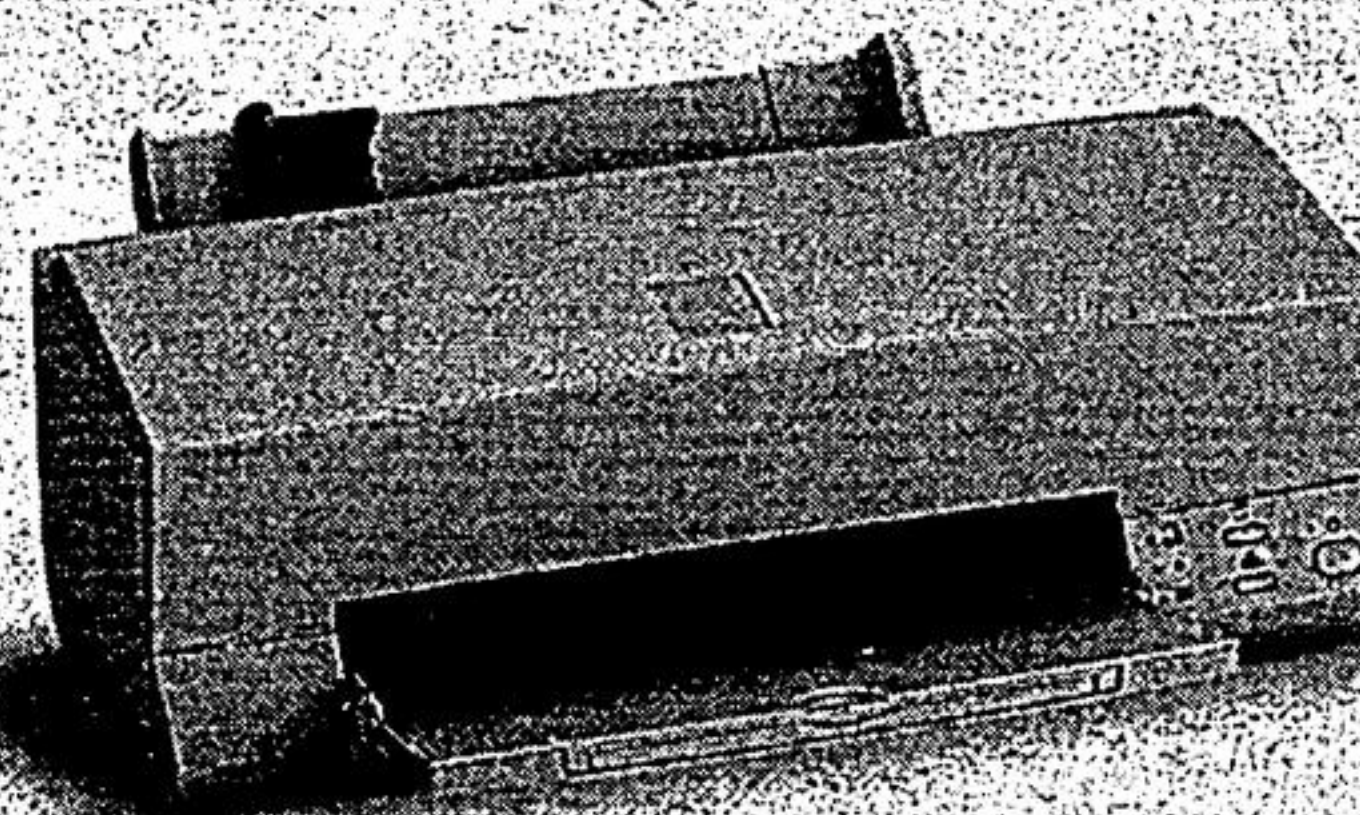

"Gateway Country's the Best Place to Buy a PC"
— PC Magazine's Editors' Choice Award.

See for yourself, neighbour.

There are plenty of reasons why people love shopping at Gateway Country. For starters, all of our Gateway™ Performance PCs are up, running and ready for a test-drive. Our knowledgeable salespeople offer answers, training and a lot of smiles. Our Your.)Ware™ program also offers you incredibly low monthly prices. And you'll know you can always get your Gateway Performance PC, featuring the Intel® Pentium® III processor, built from the ground up with the freshest technology. So drop into a Gateway Country® store today.

— Printer pictured may not be printer given away.
