**ENVIRONMENTAL SERVICES ATTENDANTS**  
Part-time and casual opportunities are available to provide and maintain a clean, infection-free and attractive environment for patients, visitors and staff. As an organized and effective communicator, you are able to work well independently and as part of a team. This role will see you rotating through room cleaning, floor maintenance, discharges and project cleaning, as well as responding to contingency codes, and handling pathological waste or working in potentially infectious areas. Experience in environmental services, preferably in a hospital setting, is ideal. You will be required to work day, evening and night shifts during the week as well as weekends. The ability to walk and stand for extensive periods and lift heavy objects is required

**SPD TECHNICIAN**  
Bring your expertise to this part-time (weekends) role. Two or more years of recent sterile processing/ decontamination experience will have equipped you to prepare instruments for the OR and the rest of the hospital; clean and handle soiled/contaminated items, and assemble surgical case carts. You will also be responsible for the sterilization of supplies and instruments; plus the operation and daily cleaning of large equipment. You must have a Sterile Supply Processing Certificate from an approved college program; and a working knowledge of hospital medical/surgical supplies, as well as basic aseptic techniques and principles of infection control.

**SURGICAL SYSTEM ATTENDANT, OR/PARR**  
In this full-time position, you will maintain a clean and organized patient care environment within the Operating Room. Your responsibilities will include environmental service activities and assisting staff in preparing, cleaning and disassembling procedure rooms between cases. With your CSR/ SPD certificate and knowledge of surgical instrumentation and sterile techniques, you are able to assemble and prepare specialized instrumentation and supplies for procedures. Excellent interpersonal skills and the ability to work well independently in a fast-paced environment are key to your success. A background working in an OR, SPD or a Procedure Unit would be an asset.

If you are interested in growing with a leading health care facility, please direct your resumé, quoting position of interest, no later than August 9, 2000, to: Human Resources, 381 Church Street, Markham, Ontario, L3P 7P3. Fax: (905) 472-7055. E-mail: humanres@msh.on.ca
