All applicants must be able to demonstrate strong customer satisfaction skills.

TECHNICAL SALES

Ensil is the world's largest multi-discipline printed circuit board repair organization serving defense, aerospace, telecommunications medical, mainframe, industrial, and robotics industries.

Due to a rapid growth in North America, Ensil is expanding its technical sales department.

You may qualify for this position if you have a minimum 2 years technical sales experience in a high-tech environment with proven ability to exceed sales quota and targets along with the experience in prospecting, developing leads and closing sales over the telephone.

The ideal candidate will be rewarded with an excellent compensation package including base salary, commission, year-end bonus, medical insurance, the candidacy for employee share ownership plan and a very generous annual vacation package.

To be considered for this or any other position at Ensil, please send your resume in confidence via fax at 1-800-565-5329 or the web at www.ensil.com

MULTIMEDIA COMPUTER TECHNICIAN

Experienced customer oriented, computer technicians are required for our growing company. Our clients are some of North America's leading broadband broadcast companies.

Candidates must have thorough knowledge of Windows 95 and Windows NT, Metrox video products and production environment knowledge, as well as Unix experience would also be valuable.

These are full time, staff positions with some travel and occasional on-call. A competitive salary, a benefits plan as well as three weeks vacation are included.

Please forward your resume in confidence to: dtheapey@capitalnetworks.com or fax to 905-946-1144. Only successful candidates will be contacted. No telephone solicitations please.
