

CHILDREN BENEFIT FROM MUSSELMAN'S LAKE COMMUNITY'S SENSE OF FUN

COMMUNITY NOTES

Clowns, games, fun at kids' day

The Cedarvale Community Association in Musselman's Lake is holding its annual Kids' Fun Day Aug. 19 from noon to 4 p.m.

The cost is \$2 per child (children under three years are admitted free of charge) and includes activities, a clown, a hotdog and a drink.

The event is being held at the CCA Beach at the west end of Cedarvale Boulevard off Ninth Line in Musselman's Lake.

The Cedarvale Community Association is made up of residents from five streets on the north side of Musselman's Lake and holds several fundraising and community events throughout the year.

Road Watch group sponsors defensive driving course

Stouffville's Road Watch Committee is sponsoring a defensive driving course for older drivers that started this week.

The 55 Alive program sharpens driving skills, teaching defensive driving

Janet Richards

and goes over recent changes to the Highway Traffic Act.

Organizer Herb Bell says there has been a great response to the program and second class will probably be held, possibly in evenings in the fall.

The class runs for four two-hour sessions at the Stouffville legion.

At the end of the course, successful participants graduate with a certificate from Ottawa, which will be presented by Whitchurch-Stouffville Mayor Wayne Emmerson.

Bell says that several insurance companies recognize the certificate with a

reduction in insurance rates.

The cost for the course is \$50, which includes a workbook and a graduation certificate.

Bell expressed gratitude to the Stouffville legion for their kindness in donating the legion hall for the course. Anyone interested in more information about a future class can contact Herb Bell at 642-0187.

Do you know any special folks who deserve recognition?

The Folks column is a regular column in the Stouffville Tribune featuring community happenings and recognition for local residents and organizations.

If you know a Stouffville resident who deserves recognition or congratulations on a milestone, please call Janet Richards at (905) 642-3482.

Milestone birthdays and anniversaries, academic awards and volunteer recognition are some of the items to call about.
