Personal Prayer To The Holy Spirit. Holy Spirit: Thou make me see everything and show me the way to reach my ideal. You who give the divine gift to forgive and forget the wrong that is done to me and who are in all instances of my life with me. I, in this short dialogue, want to thank You for everything and confirm once more that I never want to be separated from You no matter how great the material desire may be. I want to be with You and my loved ones in Your perpetual glory. Amen. Person must pray this 3 consecutive days without stating one's wish. AN INVITATION TO COMMENT ON A PROJECT TO CREATE A SINGLE TRANSIT SYSTEM IN YORK REGION. The Regional Municipality of York is working on a project to combine the five urban municipal transit systems and two other special needs transit services that currently operate in the communities of Markham, Vaughan, Richmond Hill, Newmarket, Aurora and in Georgina and Whitchurch-Stouffville. The end result is proposed to be a unified, region-wide transit system to serve the needs of a growing and increasingly mobile population. Since the project is intended to deliver region-wide transit service that is responsive to the needs of the Region's residents, public comment is vital to its success. As part of the public consultation process to date, the Region and its area municipalities have held open meetings at which input was received from residents, businesses and various stakeholder groups. Most recently, a random public poll conducted throughout the Region found that 70% of those surveyed favoured a single transit system to serve their communities. Two further public consultation open houses are scheduled to take place prior to a final decision on the matter by York Regional Council. All interested residents and other stakeholders are encouraged to attend one of the following public consultation sessions. September 12, 2000, 7:00 to 9:00 PM Parkway Sheraton, Vaughan Room 600 Highway 7 East (east of Leslie St.) Richmond Hill. September 13, 2000, 7:00 to 9:00 PM York Region Administrative Centre- Great Hall 17250 Yonge Street Newmarket. To ensure that everyone interested in the project has a chance to be heard, you are also encouraged to forward your questions and comments to the following address: Transit Implementation Project Regional Municipality of York Transportation and Works Department 17250 Yonge Street Newmarket, ON, L3Y 6Z1 Fax: (905) 895-0191 Email: don.gordon@region.york.on.ca
