Makeover artists perform magic at Fran Coupe Hair Design

Markham resident Lydia Ungurait recently received a unique birthday gift from her daughter - a complete makeover from Fran Coupe Hair Design in Markham. It's a gift that Lydia thoroughly enjoyed and will cherish for a long time.

"I've never experienced a makeover before and I didn't know what to expect," says Lydia. "I felt confident in the staff at Fran Coupe and so I left the decisions up to them."

Lydia's hair was a little long, streaked with flecks of gray and slightly uneven. The staff explained how shortening the length and adding some colour would provide a proper balance, and also accent her eyes and face.

"We shortened the length of the hair to emphasize the height," says Fran. "We also provided some wisps around the face to bring out the colour of her eyes."

The next phase of the makeover was the colouring. "We eliminated the gray streaks and gave her a warm, beige, blond colour which gave her a refreshing youthful appearance," says Fran.

After the colouring, a make-up artist applied make-up to Lydia's face, lips and eyelashes. Normally Lydia doesn't wear make-up, but in this case she was pleased with the results.

When the makeover was finished, Lydia felt terrific. "I've had a lot of compliments from friends and family," she says. "Even my granddaughter said that I looked much younger."
