

Plenty of value at Markham Home Show

In 1982, Fred Cox saw the need for a home show for the Markham and surrounding area, and so started what has become one of the most popular home shows in Canada. Residents from Newmarket to Ajax make the annual pilgrimage to the Markham Home Show, a favourite event for the whole family.

Every year, the Markham Home Show provides a unique country setting where visitors to the Markham Fairgrounds can enjoy the fall days and browse among the several venues and exhibitors.

"Our surveys show that people enjoy our show more than other home shows," says Cox, show organizer and president of National Event Management. "Instead of having just one big building where people walk up one aisle and down the other, they have six different buildings to visit."

From October 20 to 22nd, the public can take advantage of the reasonable rates to attend the show. Adults are \$8,

students and seniors are \$5; and children twelve and under are free. Visitors benefit from additional savings with free parking.

Exhibitors are encouraged to offer show specials such as free consultations or discounted products. The live entertainment, guest speakers and seminars are included with the price of admission. Visitors to the show have an opportunity to network with local businesses that can provide the goods and services needed for home renovation projects.

"We started the Markham Home Show so that local businesses would have a chance to showcase their products," says Cox. "Local residents have the opportunity to meet them and benefit from their expertise."

The Markham Home Show continues today from 10:00 AM to 7:00 PM, and Sunday from 10:00 AM to 5:00 PM. For further information, call 905) 477-2677 or 1-800-891-4859.
