

**MARKHAM'S ON TRACK  
FOR THE 16TH ANNUAL  
FESTIVAL OF LIGHTS  
FRIDAY,  
NOVEMBER 24TH  
6-10PM!**

"All Aboard for the Holidays!" is the theme of this year's 16th Annual Markham Village Festival of Lights 2000 says Festival Chair, Helen Walter. "The theme honours the renovation of Markham's historic Train Station which is something to feel good about." We're doing some really interesting and beautiful things in the village. There are real visible changes, history is being reclaimed.

Feeling good is what the annual Festival of Lights is all about, and this year's lineup promises the best street party ever. On Friday evening November 24th, from 6pm to 10pm, Main Street Markham will be the lively scene of festive fun for the whole family. Main Street will be closed to traffic from Hwy #7 north to Parkway Avenue.

Who better than the Grand Ol' Elf himself, Santa, to kick things off! So don't be late for the Festival's official opening as Santa lights the Christmas tree at 6:30 pm. at Main & Robinson. Afterwards, he can be found in Santa's Hut, to listen to the special wishes of children of all ages.

# FESTIVAL OF LIGHTS

ALL ABOARD FOR THE HOLIDAYS

**November 24, 2000 6 pm - 10 pm**

Magical surprises and zany performances at Markham's Festival of Lights street show.

Ever seen a two-foot mouth organ? How about a Chick on Sticks as a nine-foot ballerina? Ever met Ebenezer Scrooge in parsimonious person? Be at the Festival of Lights Friday November 24th from 6-10pm, and be prepared to see all these and more.

Festival crowds will be treated to top children's performers like Rob Power. Don't miss him as Scrooge. Award winning children's author Bob Munsch calls Power "...definitely one of the best solo children's performers I have ever seen."
