

Re-elect **Jim JONES, MARKHAM'S OWN**

DEAR FELLOW MARKHAM RESIDENT,

For the past three and a half years, I have had the honour of serving you and your fellow residents as your Member of Parliament. It is a responsibility I have taken very seriously, always striving to represent you with integrity, passion and pride.

For the past seven years, Jean Chrétien's Liberals have governed Canada without accountability and with growing arrogance. Just consider for a moment:

- \$3 billion of your hard earned tax dollars wasted by gross mismanagement of HRDC funds.
- Health care cuts of \$25 billion since 1995, and yet they claim to be the 'saviours' of health care.
- Early election calls that waste taxpayers' dollars, just to take advantage of poll swings to keep them in office.
- Chrétien even appointed the Liberal candidate for Markham, ignoring Markham's right to choose its own representative because 'he knows better.'

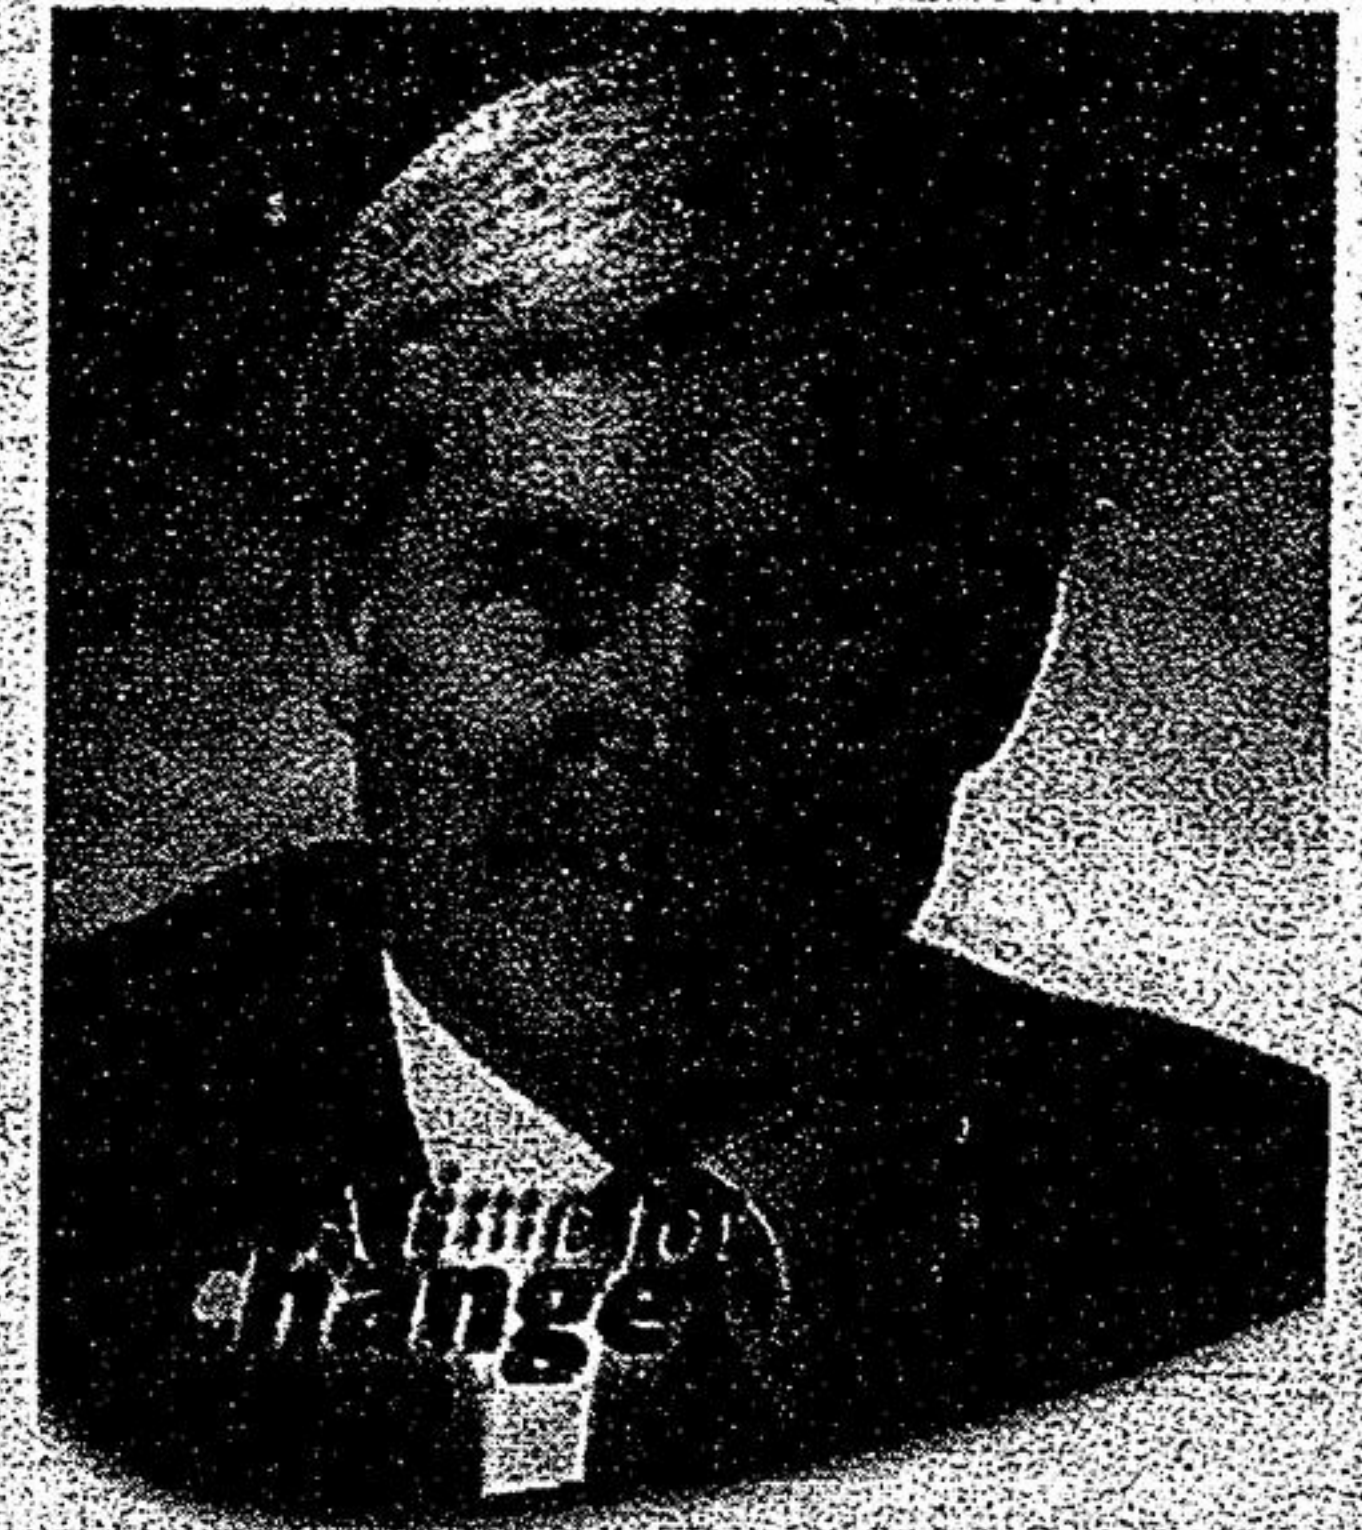

The Canadian Alliance believes that a government should be dedicated to serving its constituents, not the other way around. For the first time in a decade, we have a clear alternative to the Liberal Government. I humbly ask for your renewed confidence to proudly serve as your Member of Parliament.

Let's work together.
