

# Public schools fare well in provincial tests

## THE RESULTS

These scores indicate how each York public school performed on the grades 3 and 6 testing last year for reading, writing and math.

Students were graded on a scale of one to four, with four being the highest.

The numbers reflect the percentage of students who finished at levels three and four. Percentages were then averaged for ranking purposes. Level three is the provincial standard.

**LEGEND:** A - Aurora, C - Concord, HL - Holland Landing, KI - King Township, KE - Keswick, KL - Kleinburg, M - Markham, MA - Maple, MT - Mount Albert, N - Newmarket, P - Pefferlaw, Q - Queensville, RH - Richmond Hill, S - Sharon, SCH - Schomberg, ST - Stouffville, SU - Sutton, TH - Thornhill, U - Unionville, W - Woodbridge

Statistics compiled by the York Region Newspaper Group, using information provided by the York Region public school board

What do these statistics mean for parents, students and educators? See page 7 for analysis.
