

PICK A TAG AND BRING CHRISTMAS TO A CHILD

STAFF PHOTO/MIKE BARRETT

Ruth LeBlanc (left) and Eric Button of the Stouffville BIA and Kevin Legge and Shirley Scott (right) of the Salvation Army want to tell you how you can make a Christmas wish come true for a child. Just drop in to the Train Station on Stouffville Main Street, pick a tag off the tree and donate a gift as described on the tag.

Donations can help restore community

Children in Pikangikum, a native community in Northwestern Ontario, have had their childhood stolen from them. But a resident hopes the people of Markham and Whitchurch-Stouffville can help bring it back. In recent months, the chil-

dren's only school has been closed due to a severe diesel fuel spill, gas sniffing has become a new pastime for youth and the suicide rate has risen tremendously. Pikangikum resident Tuyen Nguyen wants to bring hope back to the children by providing recreational activities, including

ice skating on the community's frozen lake. Nguyen needs skates for the children and hopes for old pairs that no longer fit their owners, or money to buy some. Donations can be sent to Roger Dainton, 6435 Main Street, Stouffville, L4A 1E5. Fax (905) 642-0535.

Let your friends and loved ones follow their dreams! Each of them can begin to learn to fly with a \$25 introductory flight lesson. You can also send three of your friends on a sightseeing tour of Toronto for less than \$50 each! If you can't decide, we have gift certificates available in a variety of denominations. They are even redeemable at our famous Prop Shop where you'll find the best of everything for the flying enthusiast.
