## BUILDING • FUTURES • TOGETHER

Our success in providing high standards in personal care has led to an expansion program that will see us nearly double in size over the next five years. As we expand our programs and services, our aim is to deliver our promise of creating a work place environment that fosters respect, trust, and sensitivity. Currently, we require...

### Registered Nurses

- Medicine • Emergency • Surgery • Paediatrics/Surgery
- Critical Care, Telemetry/Stepdown • Sexual Assault Care & Resource Centre

These positions require BCLS and good standing with the CNO. Permanent full-time, permanent part-time, and casual opportunities are available.

### Drug Utilization Pharmacist

- permanent full-time - Ideally, you have a combination of education and experience in planning and completing drug utilization reviews and a working knowledge of pharmacy computer systems.

### Pharmacists

- permanent full-time - You will provide drug therapy monitoring, clinical pharmacokinetic assessment and drug information. A degree in Pharmacy and hospital experience are musts.

### Medical Radiation Technologist

- permanent full-time - You are licensed and in good standing with the CMRTO. Hospital experience is an asset. All shifts are available.

### Technical Specialist

- Nuclear Medicine: permanent full-time - Responsible for the daily operation of the department, you have formal nuclear medicine technologist training and are certified with the CAMRT and registered with the CMRTO.

### Nurse Educators

- Medicine Program • permanent full-time - You will design and provide continuing education principles to meet the clinical education requirements of our staff. You have a Nursing degree, preferably Master's, Certificate of Competence with the CNO, minimum of three years' medicine experience, demonstrated teaching ability, and background in cardiology, telemetry, and respiratory.

- Surgery Program • permanent full-time - You will design and provide continuing education principles to meet the clinical education requirements of our staff. You have a Nursing degree, preferably Master's, Certificate of Competence with the CNO, minimum of three years' surgical nursing experience, and demonstrated teaching ability.

### Patient Care Coordinator

- Medicine Program • permanent full-time - You will assess, plan, and implement optimal patient care. A graduate from a recognized degree program, preferably in healthcare, and a certified Health Care Practitioner, you have a minimum of five years' recent critical care and stepdown nursing experience.

### Registered Respiratory Therapists

- permanent full-time & permanent part-time - You will manage all aspects of anesthesia and related equipment maintenance, inventory, evaluation, repair, and purchase. You will also provide services to our operating room and PACU on an as needed basis. With two years' RT and anesthesia therapist experience, you have recent incubation skills and are a graduate of a recognized program, BCLS certified (ACLS is an asset), and a member of the CRTO.

### Administrative Coordinator

- Medicine Program • permanent full-time - Performing a wide range of project work, you will coordinate our external resources providing strong leadership and budget management and manage departmental human resource issues. A graduate of a recognized degree program with a current Rescuer Certificate in BCLS, you ideally are a Health Care Practitioner. Your background includes Apache Data Collection and GRASP Measurement workload systems.

### Recreation Therapist

- Adult Day Program • permanent part-time - Experienced in planning, implementing, and facilitating programs within the therapeutic, social, recreational, craft, and volunteer programs, you have a degree or diploma in Recreation/Social/Health Sciences or the equivalent. You also have a post graduate diploma in Gerontology, a BCLS, and ideally a degree in Kinesiology.

### Clinical Dietitian

- permanent full-time - Highly knowledgeable of nutritional care and status assessment, you are experienced in the education of patients and establishment and execution of treatment plans. With a relevant degree, you have completed an accredited dietetic internship program, which ideally complements two years' clinical experience in an active treatment hospital. You must be a registered member of the Ontario College of Dietitians and are BCLS certified. You have specific experience or interest in cardiology, respiratory, and gastrointestinal areas.

### Coordinator, Volunteer & Community Resources

- permanent full-time - You will assist in the coordination of the student volunteer program and provide up-to-date orientation for volunteers. Ideally, you are a graduate of a degree program and have a Volunteer Management certificate together with directly related experience and membership in an associated organization.

Our state-of-the-art technology, active staff relations committee, progressive education reimbursement program, on-site childcare facility, and full and part-time benefits programs have created an environment which the Canadian Council on Health Services Accreditation referred to as a "truly superior organization". To join our friendly, team-oriented, and highly dedicated staff, please apply to: Human Resource Services, York Central Hospital, 10 Trench Street, Richmond Hill, ON L4C 4Z3 Tel: (905) 883-2250 Fax: (905) 883-2273 e-mail: resumes@yorkcentral.on.ca
