Goldenway Realty Inc.

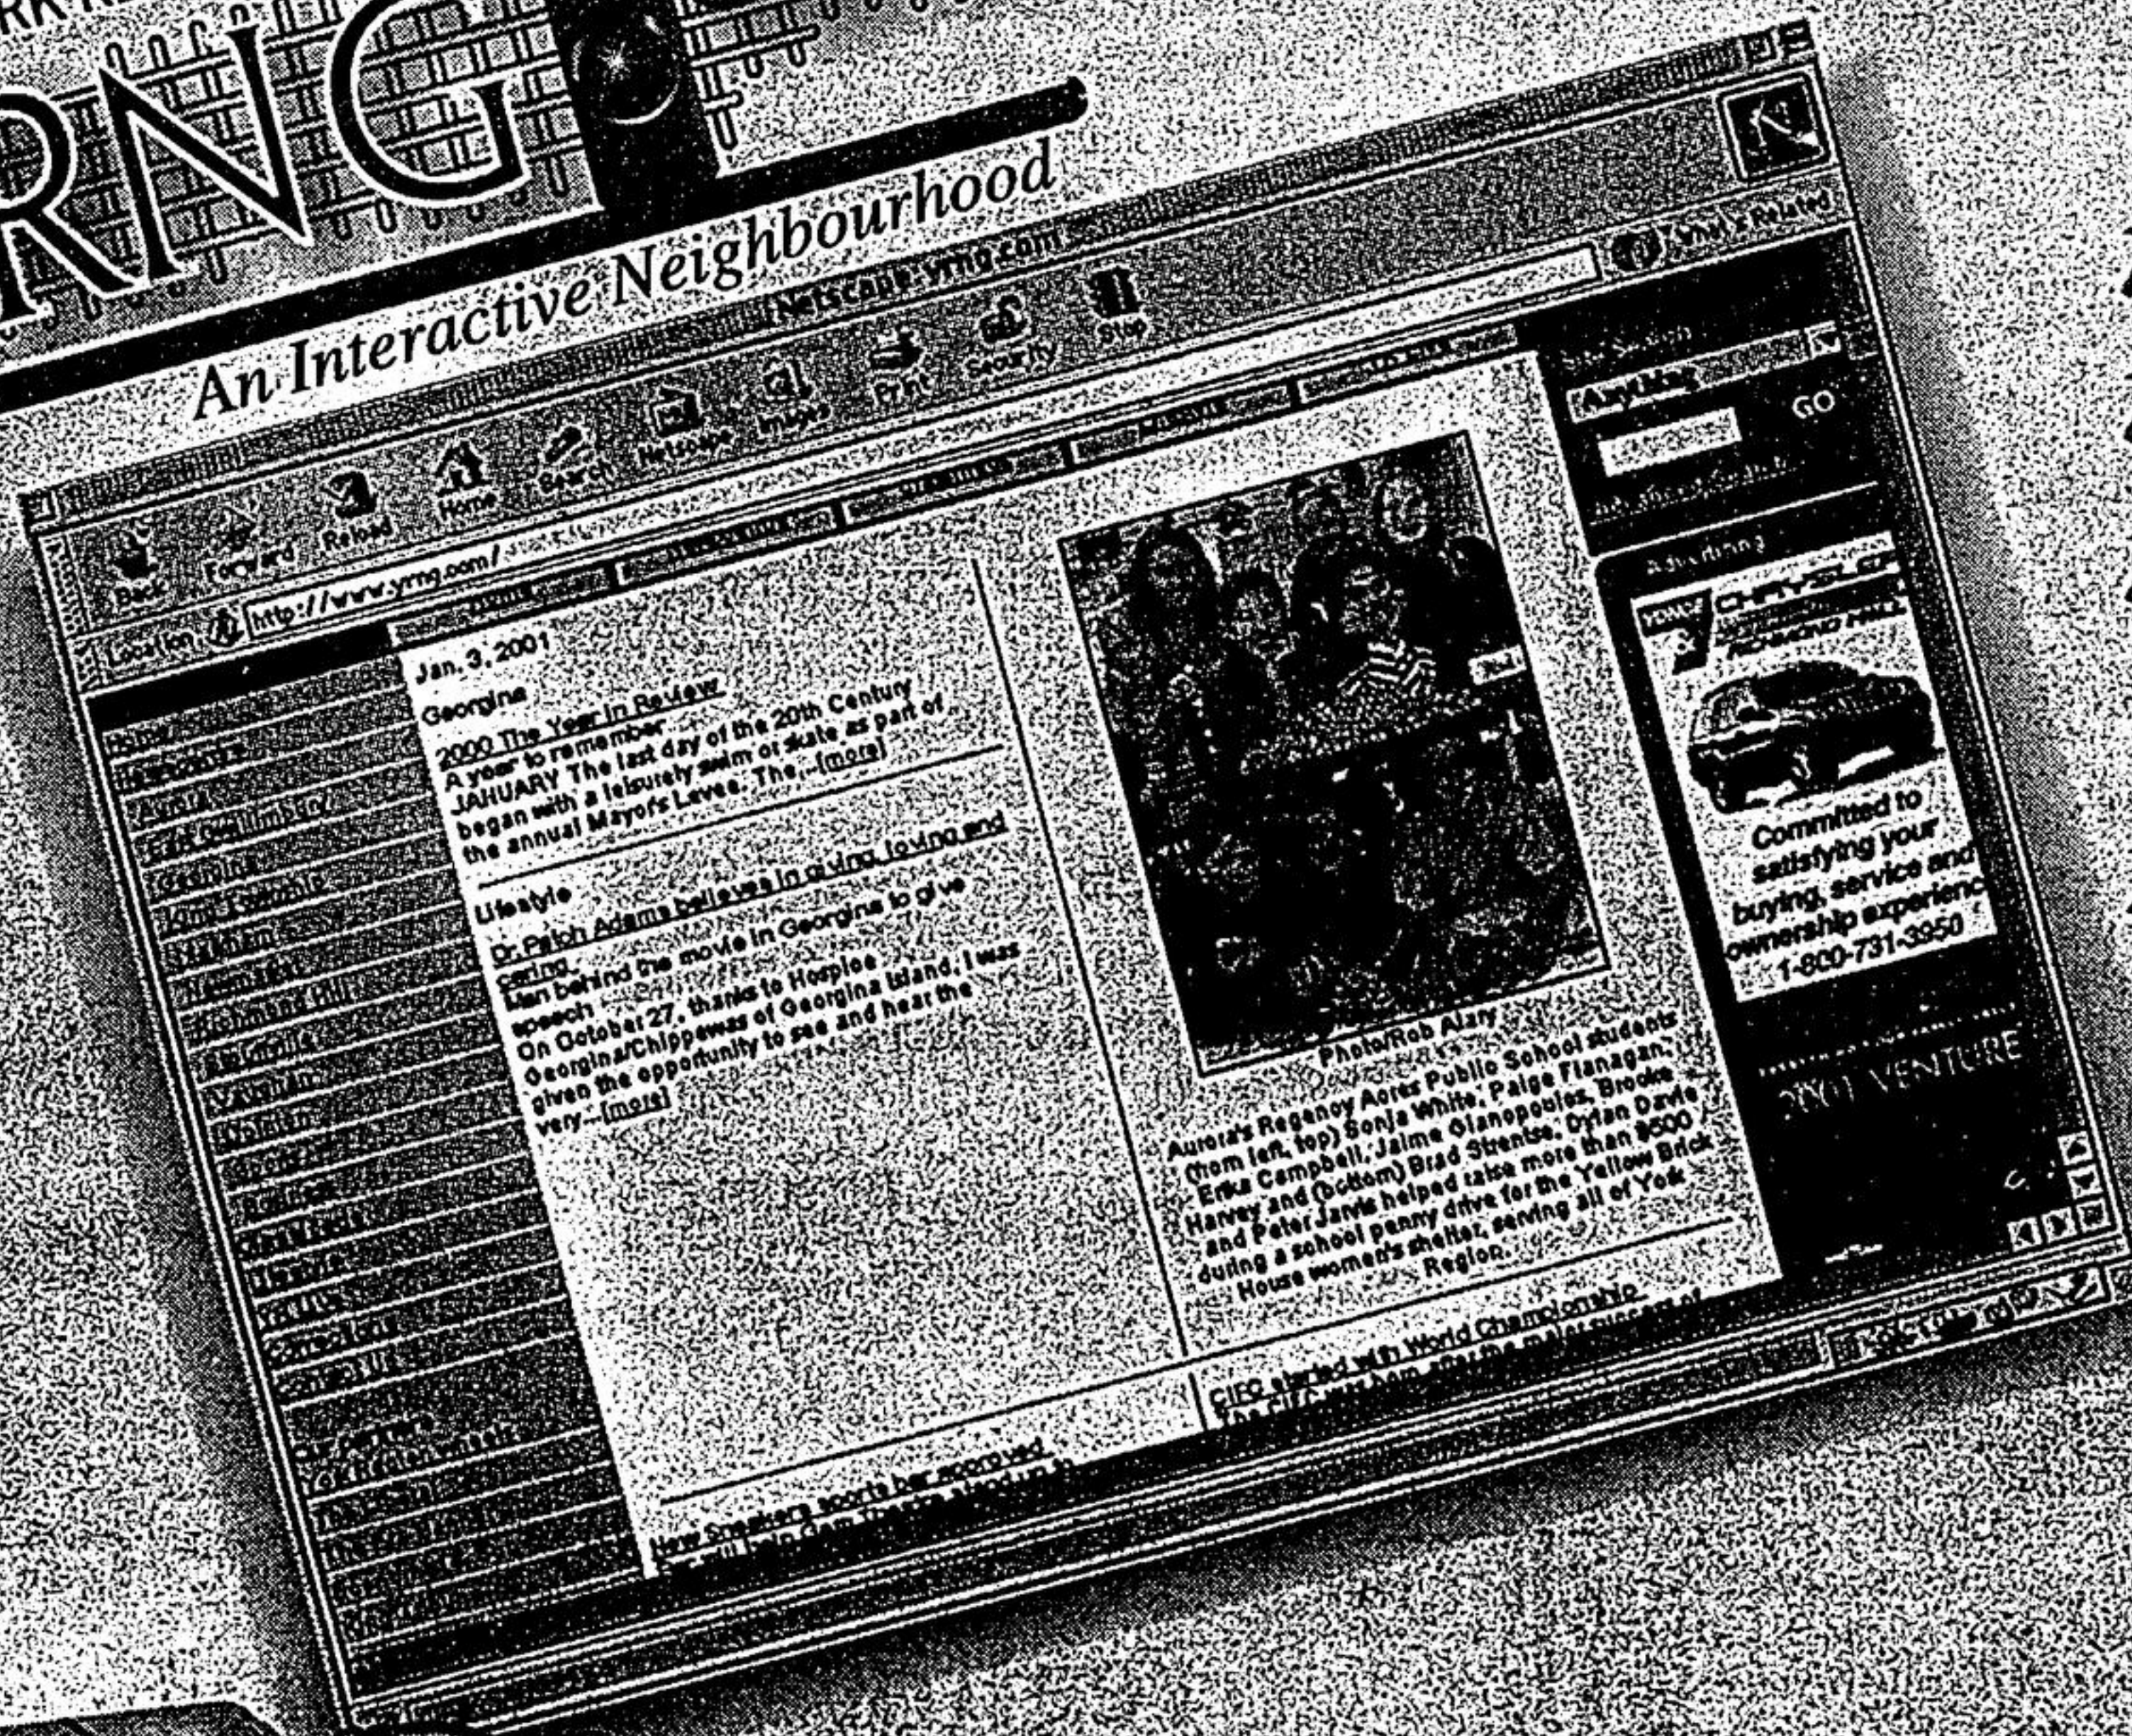

Community Spirit

Once again this year, Royal Le Page Your Community Realty made Christmas a little brighter for the women and children at Yellow Brick House Women's Shelter. Hats, mittens, toys, cosmetic bags, gift bags, cookies, and pajamas were delivered to the women's shelter. A very special thanks to La Senza at Markville Mall for their very generous donation of the large Teddy Bear featured in the photo and to Nikki Paterson (a member of our community) for her custom gift bags and generous donations and to the Royal Le Page Sales Representatives. Royal Le Page offices across the country assist shelters throughout the year as part of their ongoing commitment to giving back to their communities.

From right: Nikki Paterson, Mr. Bear donated from La Senza at Markville Mall; Debbie Park (Sales Representative) and Jean Vanderveer (Manager Royal Le Page (Your community))
