Real Estate

☐ ① One month before move...

- Complete a change-of-address form from the post office and change addresses on subscriptions.
- Line up packing materials and begin packing.
- Clean or repair appliances.
- Use up perishables.
- Transfer prescriptions to your new pharmacy.
- Organize important documents such as school, insurance and driver's registration records.

☐ ② One week before move...

- Pack suitcases for trip to your new house.
- Pack a separate box of things you'll need when you get there—cleaning supplies, personal toiletries and first aid, change of clothes, mealtime necessities and snacks, tools, bath and bedding supplies.
- Defrost the refrigerator and freezer.
- Make a list of items and boxes to be loaded onto the truck.
- Set aside the items, such as valuables, that will be going with you.
- Be sure to take the telephone directory.

☐ ③ One day before move...

- Go over fragile items and items you don't want moved by movers.
- Unplug electronic appliances so they are at room temperature.
- Make sure utilities are turned on at your new home and soon turned off at your old house.

☐ ④ Moving day...

- Go over your packing list with movers.
- Give them a contact list.

Be sure to check your list
as movers are unloading at
your new home.
