winter and the summer.

"This is for the kids. I've

got the property," said Boyd. "I'm doing this for the community."

Topping the list by each

asking for \$15,000 are the Strawberry Festival Committee and the North Shore Road Committee. The

two grants will be used to maintain North Road at Preston Lake and to cover promotional and equipment

needs for the annual summer festival.

Council postponed making a decision on a \$14,000 request from the Whitchurch-Stouffville Chamber of Commerce. Mayor Wayne Emmerson told council a delay was needed, giving him time to consult with the Business Improvement Area (BIA) regarding the possibility of the town taking over the Stouffville Train Station. Both the local chamber of commerce and the BIA are located in the Main Street station.

This year's cemetery grants valued at \$7,945 were approved, while a \$5,000 request from Orchard Park Public School was also given the nod. This money, however, will come out of the town's community and leisure capital budget instead of from grants and donations. The money will help cover the cost of school playground equipment.

A \$3,000 grant was given to the Whitchurch-Stouffville Museum's bicentennial celebrations, while the Stouffville Kinsmen Club is receiving \$3,000 to go towards the annual Santa Claus parade.

Student awards, valued at \$600, will go to local schools, while Bethany Moore, a Stouffville District Secondary student, was denied the request of \$500 to help offset her cost of attending Forum for Young Canadians. The week-long government study course will be held in Ottawa. Members of council offered to help Moore raise the needed money.

The Stouffville Horticultural Society scored a \$400 grant to help offset the cost of providing flower gardens in various spots in town. Meanwhile, the Royal Canadian Legion is getting \$135 to help cover the cost of wreaths
