ROAD SWEEPING

The Public Works Department will be commencing the sweeping of hardtop surfaced roads, weather permitting, during the week of April 2nd, 2001 and is scheduled to be completed by May 18th, 2001. This work will involve the combined efforts of staff and the sweeping contractor, Dale Farren and Son Trenching Limited.

In order to keep our Town as clean as possible, we would like to ask all residents to clean up the debris left over from the winter months on and around your property.

Thank you for your co-operation.

Spring Programs started this week, have you registered?

It's not too late! There is still space in some of our spring programs. For more information on what is available, please call.

Summer Camp

This is one you don't want to wait too long before registering. Our popular camp program, operating right here in Stouffville, is back. Activities are based on weekly themes along with special guests to make up a fun and exciting program for children to enjoy.

This year, due to popular demand, we have added a **Councillor in Training program for youth 13 - 16 years** who want to work at a camp but don't have the experience. This program combines fun with leadership training and practical experience to give candidates an overall enjoyable and learning camp experience. Successful candidates will receive a certificate and reference letter from the Community and Leisure Services Department.

Swimming Lessons at the Stouffville Outdoor Pool

It's hard to believe but it's that time again to register for summer swimming lessons. We will be running our popular two-week, 10 class sessions, again this year. Also, last year you asked for once a week lessons and private/semi private lessons so they are now being offered in the 2001 season. *You asked for it, you got it!*

Interested in working at the new indoor pool this fall as a Swim Instructor/ Lifeguard?

It's time to get certified. We will be offering Bronze Medallion, Bronze Cross and Leaders classes at the outdoor pool this spring. Sign up now so you are on your way to be qualified for September. If you are looking for an Instructors or National Lifeguard Service course, we may run one at the new pool in August if we have enough interest. Please call 640-1910 ext. 288 and speak to Micole for more information.

RECRUITMENT

As the following positions are funded through Human Resources Development Canada's Summer Career Placement program and/or the Young Canada Works program, candidates must be students returning to full-time studies in the fall.
