Seniors gear up for games

BY HANNELORE VOLPE
Staff Writer

Seniors who enjoy walking, swimming, tennis, golf or cards have a chance to win medals at this year's York Region

Senior Games from May 28 to June 15. Registration forms are available at local seniors' centres, community and leisure services departments and other locations around the region. Competitors must be at least 55 to register. The deadline is May 14.

This marks the first year that each municipality is responsible for its own events. In previous years, one municipality would oversee the entire competition. Whitchurch-Stouffville, for instance, is hosting the cribbage and lawn bowling competitions, while Markham is organizing the "prediction" walk, which will take participants around Unionville's Toogood Pond.

Opening ceremonies take place May 28 at the Thornhill Community Centre, followed by the euchre competition.

"This is not only for people who have been training," noted Micole Ongman, program co-ordinator for Whitchurch-Stouffville's Community and Leisure Services Dept. "It is for seniors to get out and have a great time."

Last year more than 200 participated. Information and entry forms are available from local seniors centres.

WELCOME

To

**The 4th Annual
GOOD FRIDAY BREAKFAST
ENJOY**
