Premier Opticians Ltd.

People often refer to their family dentist, physician and optometrist, but rarely do they mention a family optician. Philip Lui, a Registered Optician and owner of Premier Opticians Ltd. in Markham, would like to change that perception.

Since 1995, Premier Opticians Ltd. has provided not only ophthalmic dispensing and contact lens fittings for people of all ages. It has also built a thriving practice by dispensing important information and advice in a friendly atmosphere.

"We would like to earn your trust and become your family optician," says Mr. Lui, who is an overseas optometrist and became a licensed optician in Ontario in 1989. "At Premier Opticians, we provide advice to children and their parents about vision management. We explain to every youngster about certain behaviours related to their advancing Rx. Our suggestions may not change the reality of requiring corrective devices, but it will provide a greater awareness about eye care."

For Mr. Lui, being a family optician also means providing the latest in eyeglass and frame technology in a fully modern facility. Premier Opticians offers a complete range of eyeglasses, eyeglass repair, custom made optical frames, contact lens fitting and clip-on

sunglasses for a variety of tastes and needs to suit your budget.

Custom made optical frames are also available for patients who have asymmetrical facial structure.

Specialty lens include different types of thin lenses for strong Rx, Rx and non-Rx sunglasses, progressive trifocals, lenses that provide UV protection, and lenses with scratch coating.

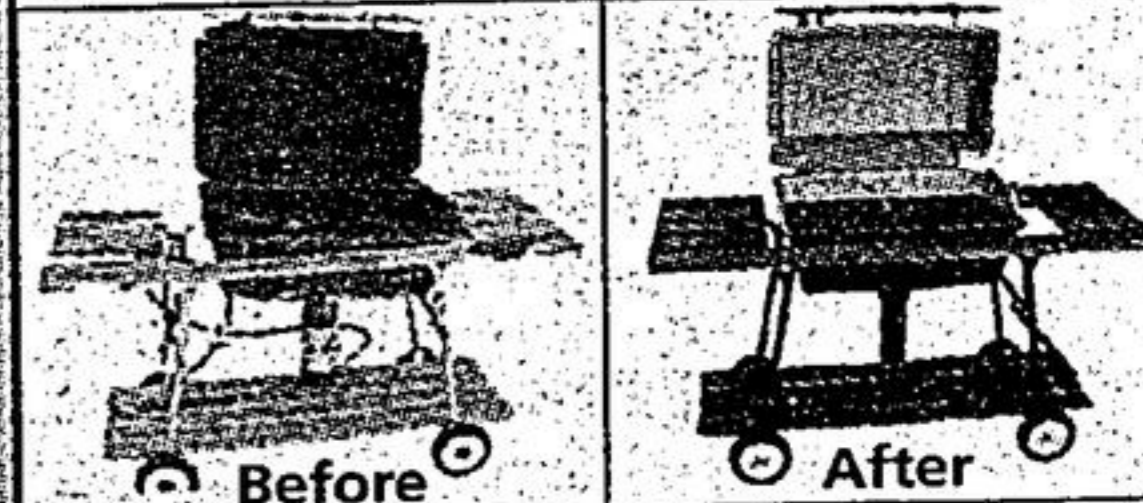

"At Premiere Opticians, we are committed to providing the highest standards of professional eyecare service and products," says Mr. Lui. "All members of our team are kept up to date with the latest developments in lens and frame technology, and any other new products which benefit our valued customers."

As a family optician, Mr. Lui believes that education is the key to better eye sight, and he is more than happy to answer any questions you may have about eye sight. "I believe that professional and sincere service are the keys to success," says Mr. Lui.

Like the banner welcoming new customers says, "This is your optical, and I am your optician."

Premiere Opticians Ltd. is located at
4721 Hwy. 7, Unit 3, in Markham.
