

PRINCE CHARLES HONOURS MARKHAM

PHOTO/METROPOLIS STUDIO

Mayor Don Cousens and Trudy Cowan, chair of the Heritage Canada Board of Governors were part of a Markham delegation in Ottawa on Thursday to receive, on behalf of the town, the first Prince Of Wales Prize for Heritage Preservation. Prince Charles (right) handed over the award and invited the mayor to visit the English town of Dorset to see how traditional architecture has been used to create a sense of community. "He's made it very clear he wants to come to Markham," said Cousens. "I couldn't believe how personable, warm and understanding he was."

Adenoma. Hepatic necrosis. Hepatitis A. Hepatitis B. Herpes simplex, hepatitis. Hers' disease. Histiocytosis X. Idiopathic cirrhosis. Leiomyosarcoma. Mononucleosis. Peliosis hepatitis. Porphyria variegata. Primary hepatic

FIGHT OVER 100 DISEASED WITH ONE DONATION
 These are just a few of the over 100 liver-related illnesses that threaten the lives of more than 2 million Canadian men, women and children. For 25 years now, the Canadian Liver Foundation has been leading the fight against liver disease and to continue, we need your help.
 One simple act of kindness can go so very far.
