## Bereaved Families of Ontario

Founded in 1978, under the auspices of the Hospital for Sick Children, Bereaved Families is a self-help organization staffed by bereaved persons. Specialists in the area of grief and bereavement from the professional community serve as a resource both in the development of on-going programmes and in the supervision and training of self-help group leaders.

This co-operation between lay and professionals has enabled Bereaved Families to better respond to the needs of the bereaved and has helped guarantee that the best support is provided.
