Take time out to visit Time Art

People rely on clocks and watches to get them through the day. But when those devices break down, it is comforting to know that expert repairs are available just around the corner at Time Art in Unionville.

Bulova and Seiko watches, plus a great variety of wall clocks and mantle clocks. An original Black Forest cuckoo clock, quartz miniature collectible clocks by Bulova, and clocks by Royal Doulton make perfect gifts for birthdays, anniversaries or any occasion.

Time Art, formerly located in the Markville Shopping Centre, has relocated to Main Street in Unionville. John, Beatrice and the staff look forward to serving all of their regular customers, as well as many new ones, at their convenient new location. The new storefront was designed to blend with historic Main Street and is housed in Dr. Ekardt's old 1880's home.

Time Art also specializes in custom jewelry designs and repairs. John's 25 years experience as a jewellery craftsman means quality workmanship and a commitment to value. Want to create a truly unique piece of jewellery for that special occasion? The staff at Time Art will show you plenty of affordable options that will dazzle and delight your loved ones.

Time Art has earned a long-standing reputation for the repair of vintage and modern watches, pocket watches and all types of clocks. All repairs are fully guaranteed and are performed by the technician on the premises. Whether your timepiece is a Swiss watch, Seiko, Cartier or Omega, the staff at Time Art will replace a watch battery, install leather and metallic bands, or shorten a band while you wait.

Also, Time Art has expanded its inventory to include the sale of duck decoys, fine Canadian-made giftware and collectibles. In addition, they proudly represent hand painted glass art by Melania Roman, wooden animals, Heritage Artists Wildlife Collection, Sandicast and Vanmark character collectibles. These lovely items are perfect decorative pieces for any type of home.

If you have a grandfather clock that requires servicing, a technician at Time Art can make a house call. Free estimates are available for smaller clock or watch repairs.

For new timepieces, jewellery, giftware and collectibles, do drop in to Time Art in Unionville.

If you're in the market for a new timepiece, Time Art offers a stunning selection of quality Movado, ESQ, Roots, Wittnauer,

Sandy's Auto Service will help you enjoy safe, cool, dependable driving this summer

Sandy's Auto Service realizes that your automobile expense is most often the second largest yearly outlay of capital other than your home. That's why it is committed to providing the highest level of automotive service in a relaxed, trusting atmosphere. "We are not your average garage or stereotypical mechanic," says Sandy, an ASE (Automotive Service Excellence) Certified Technician who is affectionately known as "The Sandy". Sandy knows that striving for automotive excellence requires a sincere passion and commitment. "Our passion is automobiles and our commitment is to our customers and friends," he says.

repairs. "I'll tell you whether your vehicle does or doesn't need fixing, or if you need to take it to a dealership for warranty work," says Sandy, a 37-year veteran in the automotive business.

Sandy's Auto Service offers the highest calibre service on your automobile. Guaranteed workmanship and warranties are above and beyond most. Fair pricing and the use of high quality parts are the normal business practices. Fully licensed and updated in all fields (computers, anti-lock systems and diagnostics), the certified technicians at Sandy's use the latest high-tech diagnostic equipment to repair your vehicle.

Sandy always takes the time to explain any repairs or maintenance work that is being performed and is happy to answer any questions. Sandy also shows customers any defective parts and explains why they need to be replaced. Customers appreciate this personalized service and attention to detail which has earned the company a loyal clientele over the years.

Sandy's Auto Service is Markham's first accredited Drive Clean emission test and repair facility. All tests are by appointment for your convenience, and you can be in and out in 20-30 minutes. It is also an Ontario Motor Vehicle Inspection station and can certify vehicles on site.
