- Michelle Scott won the Set of Golf Clubs and Lessons.
- Mark Miller won the amazing Compaq Computer, donated by Compaq.
- Indor Singh won the P.T. Cruiser for a year, donated by Longmans Chrysler — and last but not least ...
- Marion Ballard won the Groceries from our store for a year.

Thank you to all who participated — we'll shortly announce the amount that we raised.

OUR CABBAGE ROLLS

From our kitchen this week we have Cabbage Rolls. We use a combination of pork and beef, we add some rice and we pack them in a good amount of sauce. They're really good.

IT'S IN!

Local corn is now available. It's not the super-sweet type yet but it's very good!

MUSKOKA ORGANIC GREENS

We'll have the usual assortment of excellent and tasty Organic Greens — and if all goes well, we'll have some green onions too!

MARINATED BONELESS CHICKEN BREASTS

In our store we sell only air-chilled chicken. They have an edge in flavour because they run loose and eat what they want. They are processed in a more time consuming (and expensive manner) in order that this flavour advantage is maintained.

So what do you get when you start with the best chicken and then add one of our superlative homemade marinades? ...

A thrill from the grill!
Available in Teriyaki, Hyatt, Texan B.B.Q., and Zesty Lemon.

Reg. \$9.95/lb.

NEW LITTLE POTATOES

One of my personal thrills is when these new little potatoes are in season. These sweet little nuggets of goodness are just great boiled and served with either butter or our tzatziki.

WHAT'S HAPPENIN' IN FLOWERS?

We've received our first lot of Autumn Mums (are you ready?) and some dwarf Shasta Daisy perennials.

LOCAL BLUEBERRIES

Our large Berries are now available in quantity. I've made a study of these and I find they're really good with Vanilla Ice Cream which has been slightly tempered. They work good with cream too — and just about anything else. Buy some this week — in fact, buy 2 so you won't have to share!

1.99 FULL PINT

OUR DELI ROAST BEEF

Next to our assortment of hams, this is our best-selling deli meat. The reason is (a) we cook it pink, (b) we use the centre cut of an inside round rump roast and (c) we trim it lean. Although most use it for sandwiches, try it at room temperature with some good olive oil and balsamic vinegar.

Reg. \$2.49/100g

GREEK BOWTIE SALAD

Our salad feature for this week is on the lighter side. We use Bowtie Pasta with a julienne of coloured peppers and red onions, some Feta and some fresh dill.

It's dressed with Olive Oil, Wine Vinegar, and a touch of garlic.

OUR WILD BLUEBERRY SAUSAGES

Originally when we made these and put them on sale, the response was so-so at best, until people tried one or two and returned for quantities — much to our surprise! We use pork, wild blueberries and a touch of maple syrup to make them — they're really good!

Reg. \$3.99/lb.

BARTLETT PEARS

These Bartletts come from Northern California. They're still on the firmer side, they're large, and they ripen to be juicy and delicious.
