"FRESH FROM OUR GARDEN TO YOUR BASKET"

The Garden Basket Food Markets, formerly Sunkist Food Markets has been part of Metropolitan Toronto life since 1929. Back then, the first Sunkist Fruit Market was open for business on Danforth Avenue in Toronto's east end. This store became renowned for consistently offering fresh, top-quality produce and a high level of customer service. It was in this neighbourhood that the company's reputation was first established. A commitment to quality and service was born that became a tradition, and this has been handed down to the present generation.

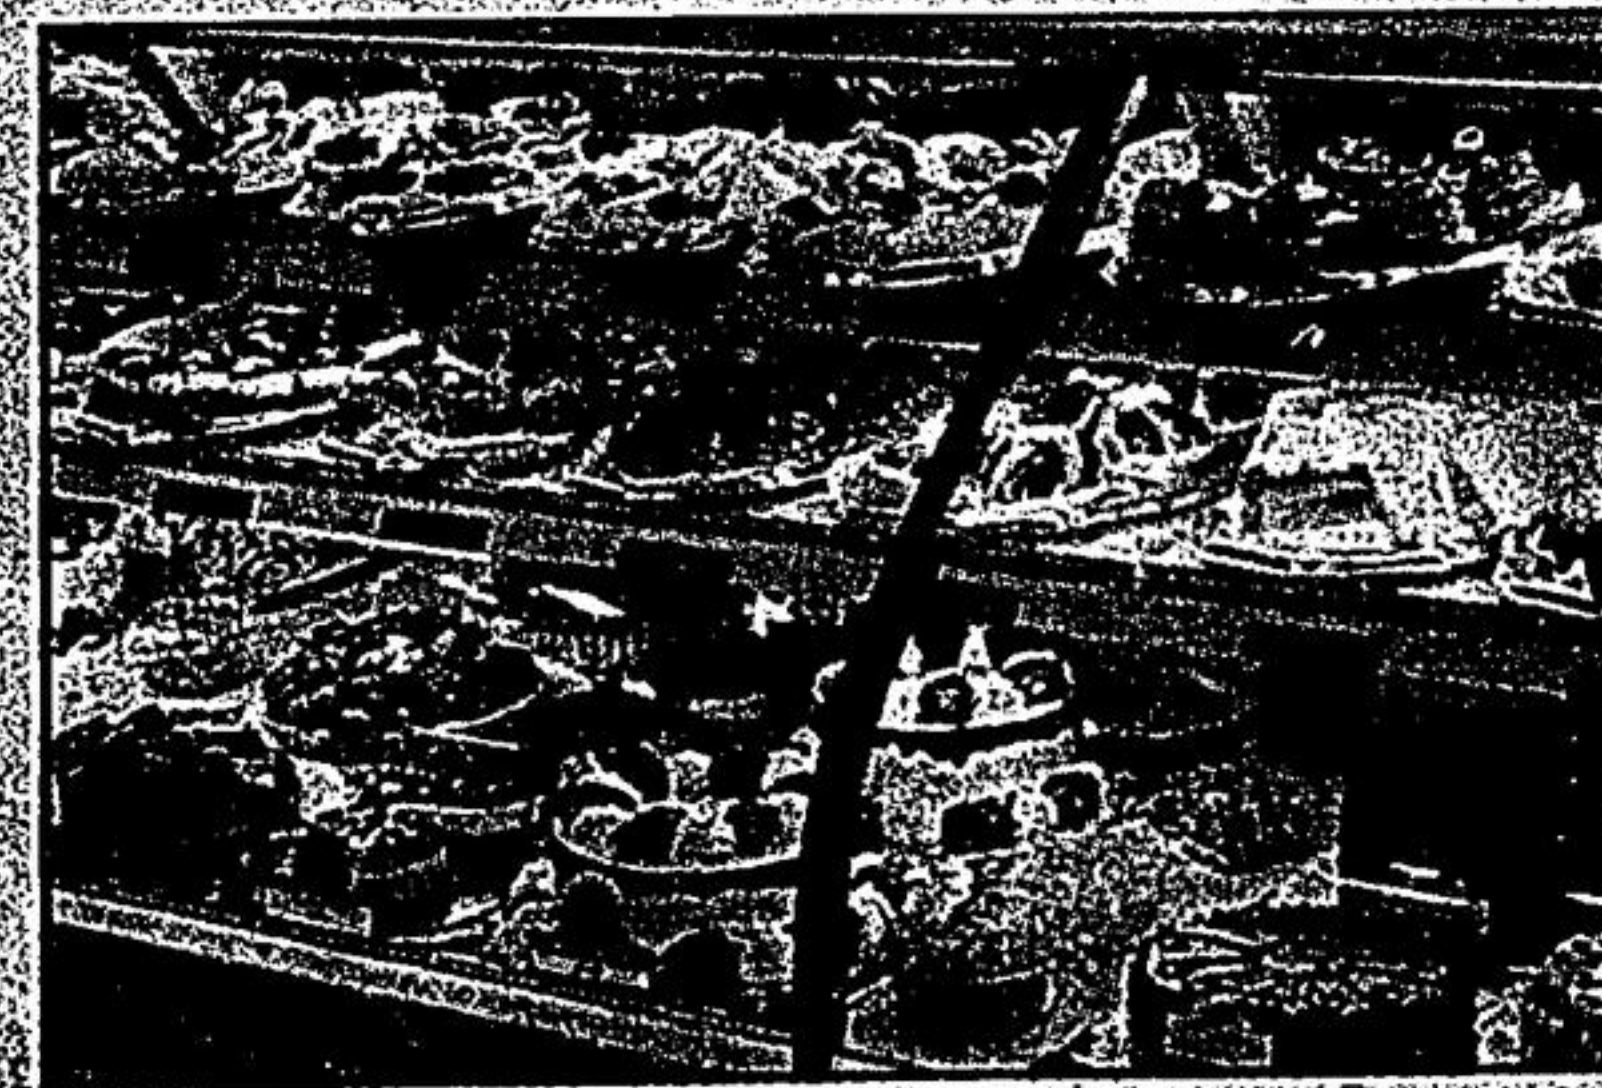

For the fifth year in a row, The Garden Basket Food Markets is very proud to have received the CONSUMER'S CHOICE AWARD, AS WELL AS THE MARKHAM ECONOMIST & SUN AND STOUFFVILLE TRIBUNE'S readers choice award for BEST FOOD STORE and BEST FRUITS AND VEGETABLES.

Our sister company Comella Fine Foods (located on Woodbine & Steeles) is currently undergoing extensive renovations and store expansion and will be adopting the name The Garden Basket. These undertakings will enable us to substantially increase the size of each department and expand product lines store wide.

We are very excited about expanding The Garden Basket name to this store.

**THE GRAND OPENING OF OUR NEW STORE IS SCHEDULED FOR LATE SUMMER 2001.** We will keep you informed of our progress as the opening date draws near.

The Garden Basket is proud to carry on this tradition of excellence and wish to thank all of our valued customers, employees and suppliers for their continued support. We are proud to be a part of the Markham community and are looking forward to continue serving you.
