Markham 2000 Decorating Centre

For all your interior decorating needs, Markham 2000 Decorating Centre offers one-stop shopping and plenty of quality, brand name products to choose from.

This spacious retail store carries a wide selection of wallpapers and borders, custom drapery, upholstery, wood and vinyl shutters, wood and laminate floors, plus the two best brands of paint on the market (Benjamin Moore Paints and Para Paints).

To find exactly the right colour for your painting project, Markham 2000 Decorating Centre offers computerized colour matching and an in-home interior decorating and interior design consultation service.

The quality and performance of carpets does not depend on the weight (so many oz. per square yard). Rather, durability depends on the type of fibre, yarn twist and pile density. It is important to select the right balance of all three. For more information, call Dupont Stainmaster at 1-800-3-MASTER.

Markham 2000 Decorating Centre is located at 3828 Hwy. 7 (at Warden Ave., next to Future Shop) in Unionville. They can be reached at (905) 513-1657.

Wee Watch Private Home Daycare

All parents seeking childcare face the dilemma of deciding what type of care is best for their child.

Wee Watch Private Home Daycare is licensed by the Ministry of Community and Social Services and provides safe, quality childcare for children six weeks to 12 years.

Wee Watch operates out of a provider's home, with a regulated system that is carefully set up to meet the needs of you and your child. There is a low ratio of children to provider, so that program can be modified to suit each child.

All potential providers are screened and must meet a variety of requirements. Home visitors do monthly unscheduled visits to the provider's home. Wee Watch offers full and part-time care, and in the event of an illness or vacation, Wee Watch will arrange for an alternative back-up.
