## Cruise Holidays of Markham

A cruise has all the elements necessary for sheer indulgence -- offering excellent amenities and cuisine, five-star service and great entertainment. At every port of call, your "home" stays in the harbour, leaving you free to explore unencumbered and with peace of mind. But taking a cruise is as much about the ship as the shore. Cruise Holidays' consultants listen to every client's needs, and work closely with them to achieve optimum results, from honeymoon, anniversaries to a seminar at sea, or that holiday the whole family can use and enjoy. It's not what we know, but how we use it, searching and finding the best for you. For all of this, a seven day Caribbean cruise can be as low as \$699.00 \$CAD per person, cruise only.

Cruise Holidays is located at 5293 Hwy. 7 (at McCowan). For details call 905-472-8072
