Best Kitchens & Renovations

In recent years, homeowners have gone to great lengths to create kitchens and bathrooms that reflect their personal taste and lifestyle.

Best Kitchens in Markham is a proven leader in kitchen and bathroom renovations. This talented husband and wife team (Roslyn and Gil) has the expertise to add a whole new dimension to your home.

Before any work begins, Best Kitchens will visit clients in their home to determine their needs and lifestyle. Then the designer returns to the office to begin a computerized, three-dimensional drawing of the kitchen. From this, clients can see exactly what their kitchen or bathroom will look like.

From beginning to end, Best Kitchens will handle all aspects of your renovation project. Best Kitchens pays attention to detail and as a result, most of their customers are from referrals.

Visit their showroom at 172 Bullock Dr., Unit 18, in Markham or call (905) 472-6804 for an appointment.
