Animal Hospital of Unionville

If you have a family pet, it deserves as much love and attention as any other family member. The doctors at the Animal Hospital of Unionville focus on the treatment and prevention of diseases in family pets in a trusting, friendly atmosphere.

This veterinary hospital offers a full range of professional services for pets, including surgery, diagnostics, dental treatment, boarding, grooming, dog training, school tours and community outreach programs.

What makes this organization unique is that a veterinary assistant is on the premises 24 hours a day. This exceeds the requirements in the Ontario minimum standards. The day and night care extends to all pets on the premises whether they are patients in the hospital or are boarding at the hospital. The staff at Animal Hospital of Unionville want to assure pet owners that their furry family members will be well cared for at all times.

Cages, bedding and cat litter pans get as much attention after hours as do medical problems and treatments. Hours of operation are Monday-Friday 8 a.m. - 8 p.m. and Saturday 10 a.m. - 4 p.m.

The Animal Hospital of Unionville is located at 4568 Hwy. 7 (at Kennedy). They can be reached at 905-477-2323. Web site: www.unionvet.com.

Vlad's Dance Company

We have exciting news. Our dance company is expanding and moving to a new and bigger facility with over 5,000 sq. ft., including 3 large dance studios, complete with professionally cushioned floors, study room, lunch area, props and storage space for costumes, and much, much more.

This year's recital show had a very special addition, the III Act featured a production of "Notre Dame de Paris," which has seen a great success in Europe. We have integrated beautiful music and some fine dancing from our students into this special program, with huge props, special effects, costumes and make-up.

The dance competition season is now over. When you come to the studio, you will see the trophies and outstanding success our dancers have experienced!

Our teachers and dancers are alike - we all share the anticipation of what lies ahead. Our teachers will do everything they can to help your children to realize those possibilities and become the best dancers that they can be!

Vlad's Dance Company is located at 9078 Leslie St. Unit 7, Richmond Hill. They can be reached at 905-763-8523.
