Rosswill Pools (1995) Ltd.

First class workmanship, attention to detail, quality, and a strong commitment to customer satisfaction are the focus of Rosswill Pools.

A well controlled operation enables competitive pricing as well as personalized service to the customer. The knowledge and experience, gained from building over 750 vinyl swimming pools, has taught Rosswill Pools how to balance prospective customers' ideas, dreams, and needs to their budgets.

Rosswill Pools, owned and managed by Bill Durward, has a 29-year tradition in the York Region, which was interrupted recently by a 4-year period spent trying out the business opportunities of the new market in the Czech Republic. Experiencing this country's struggle to establish its business ethics has only reinforced in Bill Durward the absolute necessity of customer service. He takes pride in his projects and works hard to ensure that the installation of this new addition to your family's home and lifestyle is an enjoyable experience.
