Should I buy a new sofa or reupholster my existing one?

Who should you turn to for an objective answer? Bill Rizk of Markham Furniture is the best person to answer such a question. "We could build you a new sofa or chair in fabric or leather, or reupholster your existing one right in our shop," says Mr. Rizk. "In many cases, we can restore your existing sofa to its original glory and beauty at less than the cost of buying a new one."

Markham Furniture is owned and operated by Bill Rizk former Barrymore Furniture Plant Manager

 Flexible financing plans are available to suit any budget. Terms can be as short as three months or up to one year. More details are available at the store.
OVER 25 YEARS' EXPERIENCE
 Prior to Markham Furniture, Bill Rizk spent many years managing the Barrymore Furniture plant. His commitment is to give you good quality and service at a very reasonable price.
 For details visit Markham Furniture at 1001 Denison St., Unit 12 (one block west of Warden Ave.) or call (905) 947-9575.

The reason Mr. Rizk can be objective is because, whichever decision you make, he hopes to earn your business either way.
NEW FURNITURE BUILT ON THE PREMISES
 Markham Furniture builds new furniture on the premises. All sofas are built with solid hardwood frames, eight way hand-tied coil springs, top grain leather or quality fabrics. The prices are substantially less than comparable sofas sold in fine retail stores.
